

# LONG RANGE BT TARGET .30 CAL (0.308") BOAT TAIL RIFLE BULLETS - BERGER BULLETS LONG RANGE BT TARGET 30 CAL. (0.308") 175GR BOAT TAIL 100/BX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger Boat Tail Target Rifle Bullets are often used by competitive shooters who seek the highest accuracy possible. Boat Tail Target Rifle Bullets are often used beyond mid-range distances out to 1,000 yards or more. Berger Boat Tail Target Rifle Bullets are match-grade quality and utilize a tangent ogive Rifle Bullet design which makes these very easy to load, tune and shoot. Highly accurate, the Boat Tail Target uses J4 Precision Rifle Bullet jackets for construction. J4 Precision Jackets have a Total Indicated Runout (TIR) of +/- .0001 and extremely tight manufacturing tolerances. Berger Boat Tail Target Rifle Bullets are excellent for magazine feed applications, or where conformance to SAAMI overall length is necessary. FEATURES Tangent Ogive - Tangent Ogives are easy to tune and perform extremely well at short and long ranges. Consistent Core - Berger's exacting core manufacturing process is one of the reasons when you buy a box of Berger, you don't have to worry about sorting by weight. This gives you more reliable drop, consistent BC, and better accuracy. Boat Tail - Boat Tail bullets provide an aerodynamic advantage at longer ranges over their flat base counterparts, especially while transitioning from transonic to subsonic velocities. J4 Target Jacket - J4 Precision Bullet Jackets are the #1 choice of custom bullet manufacturers. They are the most consistent and concentric copper jackets in the world holding an unprecedented +/- .0003" tolerance. The most precise jacket produces a Berger bullet with the least amount of dispersion at all ranges.

Berger 30 cal 175 gr Match Target BT Bullets - 100

## Attributes

- Name: [BERGER BULLETS LONG RANGE BT TARGET 30 CAL. \(0.308"\) 175GR BOAT TAIL 100/BX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749005757
- Mfr. No.: 30420
- Ballistic Coefficient (G1): 0.512
- Ballistic Coefficient (G7): 0.262
- Brand Style: Match Target
- Bullet Style: Long Range Boat Tail
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308

# Safety Instruction Guide for LONG RANGE BT TARGET .30 CAL (0.308") BOAT TAIL RIFLE BULLETS

## Introduction

Thank you for choosing the LONG RANGE BT TARGET .30 CAL (0.308") BOAT TAIL RIFLE BULLETS by Berger Bullets. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before handling or using the bullets.

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE), such as safety glasses and hearing protection, when handling or shooting.
- Ensure your firearm is compatible with .30 caliber bullets before use.
- Regularly check for recalls or safety alerts related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Verify that the firearm is unloaded before inserting bullets.
- Follow the manufacturer's instructions for your firearm regarding loading and firing.
- Never exceed the recommended load specifications for your firearm.
- Do not use damaged or corroded bullets.
- Always use proper shooting techniques and follow range safety protocols.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and controlled environment.
- Gather all necessary equipment, including your firearm, ammunition, and PPE.

### 2. Loading the Bullet:

- Open the action of your firearm and ensure it is unloaded.
- Insert the .30 caliber bullet into the chamber according to the manufacturer's instructions.
- Close the action of the firearm securely.

### 3. Firing the Bullet:

- Aim your firearm at the designated target area.
- Ensure no one is in the line of fire and that the area behind the target is clear.
- Squeeze the trigger gently to fire the bullet.

### 4. PostFiring:

- After firing, open the action of the firearm and check for any obstructions.
- Store any unused bullets in their original packaging in a safe location.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local authorities or waste disposal services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of this product, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your LONG RANGE BT TARGET .30 CAL (0.308") BOAT TAIL RIFLE BULLETS. Thank you for your attention to safety!
