

# ACCUBOND BULLETS - NOSLER 375 CALIBER (0.375") 300GR SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Nosler AccuBond bullets are built with a proprietary bonding process that eliminates voids in the bullet core. AccuBond marries Nosler's traditional copper alloy jacket with its special lead alloy core. The polymer tip improves accuracy and ballistic performance. The result is a hunting bullet that flies true, penetrates deep, retains its weight and won't cause extensive fouling. 50 count box.

## Attributes

- Name: [NOSLER 375 CALIBER \(0.375"\) 300GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749005758
- Mfr. No.: 53662
- Ballistic Coefficient (G1): 0.485
- Brand Style: AccuBond
- Bullet Style: Spitzer
- Caliber: 375 Caliber
- Diameter (Breech): 0.375
- Diameter (in): 0.375
- Grain: 300
- Sectional Density: 0.305
- Quantity: 50
- Delivery weight: 0.998kg
- Shipping height: 46mm
- Shipping width: 58mm
- Shipping length: 94mm
- UPC: 054041536622

# Safety Instruction Guide for NOSLER ACCUBOND BULLETS

## Introduction

Thank you for choosing NOSLER AccuBond Bullets. These highperformance bullets are designed for hunting and shooting sports. It is essential to follow safety guidelines to ensure safe handling and usage. This guide provides important safety information and instructions for the proper use of the product.

## General Safety Guidelines

- Always handle bullets with care and respect. Treat every bullet as if it is loaded.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use appropriate personal protective equipment (PPE) when handling bullets, including safety glasses and gloves.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use of ammunition and firearms.

## Specific Safety Precautions for Use

- Ensure your firearm is compatible with .375 caliber bullets before use.
- Inspect bullets for any signs of damage before loading them into your firearm.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed bullets, as they may cause malfunctions or unsafe conditions.
- Always aim in a safe direction and be aware of your target and what lies beyond it.
- Do not attempt to modify or disassemble the bullets in any way.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Open the bullet box carefully.
- Load the bullets into the magazine or chamber according to the firearm's manual.
- Do not force the bullets into the chamber; they should fit smoothly.

### 2. Shooting:

- Always wear appropriate eye and ear protection while shooting.
- Follow the shooting range or location rules and guidelines.
- Maintain a proper shooting stance and grip on the firearm.
- After firing, keep the firearm pointed downrange until you are ready to check the results.

### 3. PostShooting:

- After shooting, ensure the firearm is unloaded and cleaned according to the manufacturer's instructions.
- Dispose of any spent casings and packaging materials responsibly.

## **Disposal Instructions**

- Dispose of any unused bullets in accordance with local regulations regarding hazardous materials.
- Do not throw bullets in regular trash.
- Contact your local waste management authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please refer to the EUbased contact point provided by the manufacturer. Ensure you have the product information at hand for a more efficient response.

By following these guidelines, you can ensure a safer experience while using NOSLER AccuBond Bullets. If you have any questions or need assistance, do not hesitate to reach out to the appropriate support channels. Thank you for being a responsible user.
