

# 300 H&H MAGNUM PREMIUM BRASS - NOSLER 300 H&H MAGNUM BRASS 25/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 300 H&H MAGNUM PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp.

**FEATURES** Fully prepped, ready to load. Case mounts chamfered and deburred Hand-inspected and weight-sorted Flash holes are deburred and checked for proper alignment Full length sized and trimmed to proper length

## Attributes

# Consumer Safety Instruction Guide for Nosler 300 H&H Magnum Brass Case

## Introduction

Thank you for choosing the Nosler 300 H&H Magnum Brass Case. This guide provides essential safety information to ensure the safe use and handling of this product. Please read the entire guide carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the use of ammunition and reloading components.
- Always handle brass cases with care to avoid injury.
- Store brass cases in a cool, dry place, away from direct sunlight and moisture.
- Keep brass cases out of reach of children and unauthorized persons.
- Regularly inspect brass cases for signs of damage or wear before use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling brass cases.
- Do not use damaged or worn brass cases, as they may pose a risk of malfunction or injury.
- Follow the manufacturer's specifications for reloading, including recommended powder types and weights.
- Ensure that all reloading equipment is in good working condition and properly maintained.
- Avoid distractions while reloading to maintain focus and prevent accidents.
- Never exceed the recommended load limits for the brass cases.

## Instructions for Installation and Usage

### 1. Preparation:

- Inspect the brass cases for any visible defects or damage.
- Clean the brass cases to remove any dirt or debris.

### 2. Reloading:

- Use a scale to weigh sort brass cases to ensure uniformity within + or 0.5 grains.
- Deburr the flash holes to ensure proper ignition.
- Perform neck sizing and chamfer the inside and outside of the case mouth for optimal performance.

### 3. Loading:

- Carefully measure and load the appropriate amount of powder as per the reloading manual.
- Insert the primer into the flash hole, ensuring it is seated correctly.
- Fill the case with the appropriate projectile and ensure it is seated to the correct depth.

### 4. Final Inspection:

- Check each loaded round for consistency and safety before use.
- Store loaded rounds in a secure and safe location.

## **Disposal Instructions**

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not dispose of brass cases in regular household waste.
- Consider recycling brass cases as they can be repurposed.

## **Contact Information for Further Support**

For further support or inquiries regarding safety concerns, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details ready for efficient assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Nosler 300 H&H Magnum Brass Case. Always prioritize safety and consult with professionals if you have any questions or concerns. Thank you for your attention to these important guidelines.
