CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 300 SAVAGE FULL LENGTH DIE SET Safety Instructions

Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this manual carefully before use.

General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep your workspace clean and organized to prevent accidents.
- Store your die set in a secure location, out of reach of children and pets.
- Only use the die set for the specified cartridge: 300 Savage.
- Follow all local laws and regulations regarding ammunition reloading.
- Be aware of the potential hazards associated with reloading, including the handling of live ammunition and reloading components.

Specific Safety Precautions for Use

- Ensure that your reloading press is securely mounted and stable before use.
- Check the die set for damage or wear before each use. Do not use if damaged.
- Use only Hornadyapproved components and materials for reloading.
- Avoid distractions while reloading. Focus on the task at hand.
- Do not exceed recommended load specifications. Refer to reputable reloading manuals for guidance.
- Keep all reloading components, including powders and primers, in their original containers and properly labeled.
- Be cautious when handling primers and powders, as they can be sensitive to heat and impact.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Securely mount your reloading press to a stable work surface.
- Install the full length sizing die into the press, ensuring it is tightened properly.
- Install the bullet seating die in the same manner, following the manufacturer's instructions.

2. Using the Full Length Sizing Die:

- Insert an empty cartridge case into the die.
- Pull the press handle down to resize the case.
- Inspect the resized case for proper dimensions before proceeding.

3. Using the Bullet Seating Die:

- Place a charged cartridge (powder filled) into the shell holder.
- Adjust the bullet seating die to the desired bullet seating depth.
- Pull the press handle down to seat the bullet securely in the cartridge case.
- Inspect each completed cartridge for proper seating and overall quality.

4. PostUse Care:

- Clean the die set after each use to remove any residue or debris.
- Store the die set in a dry, secure location when not in use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away live ammunition or reloading components in regular trash. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support related to your Hornady Custom Grade 2Die set, please refer to the manufacturer's contact information included with your product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Hornady Custom Grade 2Die set. Always prioritize safety and remain informed about best practices in reloading. Thank you for your attention to these important guidelines.
