Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 7.5MM SCHMIDT RUBIN FULL LENGTH DIE SET

Introduction

Thank you for choosing the Hornady Custom Grade Rifle Full Length Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Wear appropriate safety gear, including safety glasses and hearing protection.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The die set may produce metal shavings or debris during use. Always handle with care.
 - Improper use may result in injury or damage to the firearm.
- **Avoiding Hazards:**
 - Do not exceed recommended load specifications.
 - Ensure that all components are compatible with the die set before use.
 - Do not use the die set if it appears damaged or worn.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 years and older. Ensure that minors are supervised when using this product.

Instructions for Installation and Usage

1. **Setup:**
 - Clean the die set and your reloading press before installation.
 - Follow the manufacturer's guidelines to securely attach the sizing die and bullet seating die to your reloading press.
2. **Reloading Process:**
 - Begin by resizing the brass using the fulllength sizing die.
 - Adjust the die according to the specifications provided in the manual for precise sizing.
 - After resizing, prepare the cases for priming and powder charging.
 - Use the bullet seating die to seat the bullets to the desired depth, ensuring proper alignment.
3. **PostUse:**
 - After reloading, clean the die set to remove any residue or debris.
 - Store the die set in a safe, dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Ensure that all spent casings and materials are disposed of safely to prevent environmental

contamination.

Contact Information for Further Support

For any questions or concerns regarding the use of the Hornady Custom Grade Rifle Full Length Die Set, please refer to the manufacturer's website or contact their customer support team. Ensure you have the product details ready for a more efficient response.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable reloading experience. Always prioritize safety and adhere to the guidelines provided. Thank you for choosing Hornady products, and happy reloading!
