

CUSTOM COMPETITION 22 CALIBER (0.224") HPBT RIFLE BULLETS - 22 CALIBER (0.224") 52GR HOLLOW POINT BOAT TAIL 250/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

CUSTOM COMPETITION 22 CALIBER (0.224") HOLLOW POINT BOAT TAIL RIFLE BULLETS Blending the accuracy of Nosler Custom Competition bullet jackets with our own ultra-precise, lead-alloy cores, we've created one of the most accurate match rifle bullets on the market. The hollow point provides a small meplat for reduced drag and increased aerodynamic efficiency while the pronounced boat-tail design provides exceptional flight characteristics over a wide range of velocities. Engineered to exhibit unmatched accuracy, the custom quality jacket form-fits the lead-alloy core for maximum bullet stability and balance. Hand-inspected for quality assurance, Nosler Custom Competition bullets rival all others on the range. FEATURES: Hollow Point Custom Quality Jacket Form-Fitted, Lead-Alloy Core Pronounced Boat-Tail Design

CUSTOM COMPETITION 22 CALIBER HPBT RIFLE BULLETS Safety Instruction Guide

Introduction

Thank you for choosing the CUSTOM COMPETITION 22 CALIBER (0.224") HPBT RIFLE BULLETS. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is stored in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized individuals.
- Always handle ammunition with care and respect, treating it as if it is live at all times.
- Be aware of your surroundings when using this product to ensure the safety of yourself and others.
- Regularly check for any updates or recalls related to this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Ensure that your firearm is in good working condition and is compatible with 22 caliber ammunition before use.
- Only use this ammunition for its intended purpose as described in the product specifications.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using the ammunition in wet or damp conditions to prevent misfires or other malfunctions.
- Inspect each bullet for any visible signs of damage or defects before use. Do not use damaged bullets.
- Do not attempt to disassemble or modify the ammunition in any way.

Instructions for Installation and Usage

- Before loading the ammunition, ensure that your firearm is pointed in a safe direction, away from people and animals.
- Load the bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- When ready to fire, ensure the safety mechanism is disengaged and your finger is off the trigger until you are prepared to shoot.
- After firing, keep the firearm pointed in a safe direction and unload it immediately if you are no longer shooting.
- Store any unused ammunition in its original packaging and in a secure location.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local authorities or a licensed disposal service for proper disposal methods.
- Ensure that all spent casings are collected and disposed of properly to avoid environmental contamination.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the EU-based contact information provided with your purchase or consult the manufacturer's website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with the CUSTOM COMPETITION 22 CALIBER HPBT RIFLE BULLETS.
