FULL LENGTH SIZING DIES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and follow these instructions carefully to avoid hazards and ensure optimal performance.

General Safety Guidelines

- Ensure proper ventilation in your workspace when using reloading equipment.
- Always wear appropriate safety gear, including safety glasses and gloves.
- Keep the workspace clean and organized to prevent accidents.
- Store dies and other reloading components in a secure location, out of reach of children.
- Dispose of any hazardous materials according to local regulations.
- Regularly inspect your equipment for wear and damage before use.

Specific Safety Precautions for Use

- Use only with the recommended cartridge: 243 Winchester Imp 40.
- Always check for proper die setup before beginning the reloading process.
- Do not exceed the recommended load specifications for your cartridges.
- Keep hands and other body parts clear of moving parts during operation.
- Use a headspace gauge when setting up the sizing die to ensure proper fit and safety.
- If you experience any unusual noises or resistance during operation, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Insert the FULL LENGTH SIZING DIE into the reloading press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the die and lower the press handle to size the case.
- Ensure the neck and body of the case are sized uniformly.
- After sizing, remove the cartridge case and check for proper fit with a headspace gauge.
- Repeat the process for all cases as needed.

Disposal Instructions

- Dispose of any used or damaged dies according to local waste management regulations.
- Do not throw away in regular household trash.
- Contact local authorities for guidance on hazardous material disposal if applicable.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with your purchase.

By following these guidelines, you can ensure the safe and effective use of the FULL LENGTH SIZING DIES. Thank you for prioritizing safety in your reloading practices.
