FULL LENGTH SIZING DIES 280 ACKLEY IMPROVED

Safety Instruction Guide

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 280 ACKLEY IMPROVED. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the sizing die to avoid any hazards and to ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the work area is clean, dry, and welllit before using the sizing die.
- Use personal protective equipment (PPE) such as safety glasses and gloves to protect against debris and sharp edges.
- Keep the dies out of reach of children and vulnerable individuals.
- Regularly inspect the dies for any signs of wear or damage before use.
- Follow the manufacturer's instructions and guidelines for operation and maintenance.
- In case of any accidents or injuries, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the cartridge is compatible with the sizing die (280 Ackley Improved).
- Do not exceed the recommended pressure settings when using the die.
- Avoid using excessive force when sizing the cartridge to prevent damage to the die or cartridge.
- Always use a headspace gauge when setting up the full length sizing die to ensure proper fit and function.
- Never attempt to modify or alter the die in any way, as this may compromise safety and effectiveness.
- Store the dies in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Remove any existing dies from the press if applicable.
- Carefully screw the FULL LENGTH SIZING DIE into the press until it is snug. Do not overtighten.
- Attach the decapping assembly and expander ball as per the manufacturer's instructions.

2. Usage:

- Prepare the cartridge case by cleaning and inspecting it for damage.
- Insert the cartridge case into the die and ensure it is seated correctly.
- Slowly operate the reloading press to size the cartridge. Avoid using excessive force.
- After sizing, check the dimensions of the cartridge with a headspace gauge for accuracy.
- If necessary, repeat the sizing process until the desired dimensions are achieved.

Disposal Instructions

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in general waste if it can be recycled or reused.

Contact Information for Further Support

For any inquiries or additional support, please reach out to the appropriate consumer safety contact in your EU country. Always refer to the EU's Safety Gate platform for updates regarding recalls and safety alerts related to this product.

By following these safety instructions, you will ensure a safe and effective experience while using the FULL LENGTH SIZING DIES 280 ACKLEY IMPROVED. Thank you for prioritizing safety in your reloading practices.
