

CLEANING RODS - DEWEY 30 CAL CLEANING ROD - 52

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Dewey cleaning rods are a favorite with competition shooters in all disciplines. The coating on Dewey rods is tough and expertly applied. We include a jag and brush adapter (where needed) with all Dewey rods. We have added the 20 caliber rods recently - they are also the perfect rod for your .22 rimfire rifles. The .17 to .20 caliber rods are hardened, polished stainless steel and are not coated. Coated Rods - All Dewey rods for .22 caliber and up CENTER FIRE rifles are coated and male threaded. A jag and a brush adapter are included with each rod (.22 caliber jag with the .22 to 6.5 rods, .30 caliber with the .277 and up rods, .35 caliber with the .35 and up rods and .50 caliber with the .50 caliber rods. Stainless Rods - Dewey's .17 and .22 rimfire/.20 caliber center fire rods are female threaded uncoated stainless steel. The .17 caliber rods come with .17 caliber jag. The .22 rim fire/.20 caliber rods come with a .20 caliber jag that works for both types of cartridges. ROD LENGTHS DO NOT INCLUDE HANDLE.

Safety Instruction Guide for CLEANING RODS

DEWEY 30 CAL CLEANING ROD 52

Introduction

Thank you for choosing the CLEANING RODS DEWEY 30 CAL CLEANING ROD 52. This product is designed for effective cleaning of your firearms, specifically for .30 caliber and similar firearms. To ensure safe and proper use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the cleaning rod.
- Store the cleaning rod in a safe and dry place, out of reach of children.
- Inspect the cleaning rod before each use for any signs of damage or wear.
- Use the cleaning rod only for its intended purpose.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury if the cleaning rod is used improperly.
- Risk of damaging the firearm if the cleaning rod is not compatible.

- **Avoiding Hazards:**

- Always use the correct caliber cleaning rod for your firearm.
- Do not force the cleaning rod into the barrel; it should fit snugly but not require excessive force.
- Never use a cleaning rod that shows signs of bending or damage.
- Wear safety glasses when cleaning firearms to protect your eyes from potential debris.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Adult supervision is required when used in the presence of minors.

Instructions for Installation and Usage

1. **Preparation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning patches, solvent, and brushes.

2. **Attaching the Jag or Brush:**

- Select the appropriate jag or brush adapter based on the caliber of your firearm.
- Firmly attach the jag or brush to the end of the cleaning rod.

3. **Inserting the Cleaning Rod:**

- Carefully insert the cleaning rod into the barrel from the chamber end, if applicable.
- Push the rod gently through the barrel until it exits the muzzle. Do not force it.

4. Cleaning Process:

- Apply the cleaning solvent to a cleaning patch or the brush.
- Use the cleaning rod to run the patch or brush through the barrel multiple times.
- Repeat the process until the barrel is clean, using fresh patches as needed.

5. Final Steps:

- Remove the cleaning rod from the barrel and detach the jag or brush.
- Wipe down the cleaning rod with a dry cloth and store it in a safe location.

Disposal Instructions

- Dispose of used cleaning patches and materials in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Check local guidelines for proper disposal of metal products.

Contact Information for Further Support

For any questions or inquiries regarding safety or usage of the CLEANING RODS DEWEY 30 CAL CLEANING ROD 52, please refer to the product packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearms. Thank you for prioritizing safety and responsible firearm maintenance.
