

TYPE S BUSHING FULL DIES - REDDING 300 REMINGTON ULTRA MAG BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

Attributes

Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 300 REMINGTON ULTRA MAG BUSHING FULL LENGTH TYPE S DIE

Introduction

Thank you for choosing the TYPE S BUSHING FULL DIES REDDING 300 REMINGTON ULTRA MAG BUSHING FULL LENGTH TYPE S DIE. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the die.

General Safety Guidelines

- Ensure safe use of the product by following these safety guidelines:
 - Always read and understand the product instructions before use.
 - Keep the die out of reach of children and vulnerable individuals.
 - Regularly inspect the die for any signs of damage or wear before use.
 - Use the die only for its intended purpose as described in the product documentation.
 - Store the die in a dry and secure location when not in use.
 - Do not attempt to modify or alter the die in any way.

Specific Safety Precautions for Use

- When using the TYPE S BUSHING FULL DIE, please observe the following precautions:
 - Wear safety glasses to protect your eyes from debris during operation.
 - Ensure that the work area is clean and free from clutter to prevent accidents.
 - Use appropriate tools and equipment to handle the die safely.
 - Do not exceed the recommended load specifications for your reloading equipment.
 - Be cautious when adjusting the bushing position to avoid injury.
 - Always follow the manufacturer's guidelines for compatible components and materials.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the die:

1. Installation

- Secure the die in a suitable reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.

2. Usage

- Prepare the cartridge cases by cleaning and inspecting them for defects.
- Adjust the bushing position using the adjustable decapping rod as needed.
- Insert the cartridge case into the die and follow the reloading process as outlined in your reloading manual.
- After resizing, check the dimensions of the resized cases to ensure they meet specifications.

3. PostUsage

- Clean the die after each use to remove any debris or residue.
- Store the die in its original packaging or a suitable container to protect it from damage.

Disposal Instructions

- Dispose of the die responsibly when it reaches the end of its life cycle:
 - Check local regulations for the proper disposal of metal products.
 - If the die is damaged beyond repair, consider recycling it if possible.
 - Do not dispose of the die in regular household waste.

Contact Information for Further Support

- For any safety inquiries or support regarding the TYPE S BUSHING FULL DIE, please refer to the manufacturer's contact information available on their official website or product packaging.

Conclusion

By following the above safety instructions and guidelines, you can ensure safe and effective use of the TYPE S BUSHING FULL DIES REDDING 300 REMINGTON ULTRA MAG BUSHING FULL LENGTH TYPE S DIE. Always prioritize safety and consult the manufacturer's documentation for any specific queries or concerns. Thank you for your attention to safety.
