

TYPE S BUSHING FULL DIES - 243 WINCHESTER BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

Safety Instruction Guide for TYPE S BUSHING FULL DIES 243 WINCHESTER

Introduction

Thank you for choosing the TYPE S BUSHING FULL DIES 243 WINCHESTER. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure safe and effective use of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the die.
- Keep the work area clean and welllit to avoid accidents.
- Store the dies in a dry and secure location away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the die, ensure that it is compatible with your reloading setup and the specific cartridge you are using.
- Be cautious when adjusting the bushing position to avoid injury.
- Do not exceed the recommended specifications for resizing or reloading, as this may lead to dangerous conditions.
- Avoid wearing loose clothing or jewelry that may get caught in machinery during operation.
- Keep hands and other body parts clear of moving parts during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Remove any existing dies from the press before installing the TYPE S BUSHING FULL DIE.
- Attach the die to the reloading press according to the manufacturer's instructions, ensuring it is tightened securely.
- Insert the adjustable decapping rod and set it to the desired height for your specific case length.

2. Usage:

- Prepare your cartridge cases by cleaning them thoroughly before resizing.
- Insert a cartridge case into the die and lower the press handle to engage the resizing operation.
- Adjust the bushing position as needed to size only part of the neck length.
- After resizing, remove the cartridge case and inspect it for any defects.
- Repeat the process for additional cases, ensuring to maintain consistency and precision.

3. PostUsage Care:

- Clean the die after each use to remove any debris or residue.
- Store the die in its protective case or designated storage area to prevent damage.

Disposal Instructions

- Dispose of any worn or damaged dies in accordance with local regulations for hazardous materials.
- Do not dispose of the die in regular household waste.
- Check with local authorities for proper disposal methods for metal and other materials.

Contact Information for Further Support

For any questions regarding safety, usage, or maintenance of the TYPE S BUSHING FULL DIES 243 WINCHESTER, please refer to the manufacturer's official website or contact your local distributor for assistance.

Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience with the TYPE S BUSHING FULL DIES 243 WINCHESTER. Always prioritize safety and consult this guide whenever needed. Thank you for your attention to these important safety measures.
