

# TYPE S BUSHING FULL DIES - 300 WINCHESTER MAGNUM BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

# **Safety Instruction Guide for TYPE S BUSHING FULL DIES 300 WINCHESTER MAGNUM BUSHING FULL LENGTH TYPE S DIE**

## **Introduction**

Thank you for choosing the TYPE S BUSHING FULL DIES 300 WINCHESTER MAGNUM BUSHING FULL LENGTH TYPE S DIE from Redding. This product is designed for precision reloading of ammunition. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Ensure safe use by following all instructions provided in this manual.
- Be aware of risks that may not be covered by other regulations.
- If you purchase this product online, ensure that the retailer complies with safety requirements.
- Special care should be taken when using this product around children or vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on product recalls by checking the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including eye protection, when using this product.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not use the die if it appears damaged or worn.
- Keep the die and all related tools out of reach of children.
- Do not modify the die in any way, as this may lead to unsafe conditions.
- Always follow the manufacturer's guidelines for use and maintenance.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that your reloading press is securely mounted and stable.
- Remove any existing die from the press before installing the TYPE S BUSHING FULL DIE.
- Insert the TYPE S BUSHING FULL DIE into the press and tighten it securely.
- Attach the adjustable decapping rod as per the manufacturer's instructions.

### **2. Usage:**

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Adjust the bushing position using the decapping rod to achieve the desired neck sizing.
- Insert the cartridge case into the die and operate the press to resize the case.
- Inspect the resized case for proper dimensions and concentricity.
- After use, remove the die from the press and clean it to maintain its performance.

## **Disposal Instructions**

- Dispose of any unused or damaged components of the die in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the TYPE S BUSHING FULL DIES 300 WINCHESTER MAGNUM BUSHING FULL LENGTH TYPE S DIE, please refer to the manufacturer's official website or customer support channels.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding die. Thank you for your attention to safety and compliance.
