

TYPE S BUSHING FULL DIES - 6MM PPC BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

Safety Instruction Guide for TYPE S BUSHING FULL DIES 6MM PPC BUSHING FULL LENGTH TYPE S DIE

Introduction

Thank you for choosing the Redding Type S Bushing Full Length Sizing Die. This guide provides essential safety instructions and usage information to ensure a safe and effective experience while using this product. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** This product has been designed and manufactured to meet safety standards. However, it is important to use it correctly to avoid any risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. In case of safety concerns, a remedy will be provided free of charge.
- **Online Shopping:** Ensure that you purchase this product from authorized retailers who comply with safety regulations.
- **Special Consumer Focus:** Extra care should be taken when this product is used around children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact point in the EU.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when resizing cases.
- Ensure that the work area is clean and free from obstructions to prevent accidents.
- Use the die only with the appropriate cartridge cases as specified in the product description.
- Do not exceed the recommended resizing limits to avoid damaging the die or the cartridge case.
- Regularly inspect the die for wear or damage before each use. Do not use if any parts appear worn or damaged.
- Keep the die out of reach of children and pets.

Instructions for Installation and Usage

1. Installation:

- Secure the die in a compatible reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.

2. Usage:

- Adjust the decapping rod to the desired position for resizing the case neck.
- Insert the cartridge case into the die and operate the press to resize the case.
- After resizing, remove the cartridge case from the die and inspect it for proper sizing.
- If necessary, repeat the process for additional cases, adjusting the bushing as needed.

3. Cleaning and Maintenance:

- After use, clean the die with a soft cloth to remove any residue.
- Store the die in a dry place to prevent rust and corrosion.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die is no longer usable or damaged, consider recycling it where facilities exist. Do not dispose of it in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the Redding Type S Bushing Full Length Sizing Die, please refer to the manufacturer's official contact information available on their website or product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Type S Bushing Full Length Sizing Die. Thank you for your attention to safety.
