

TRIM PRO 3-WAY CUTTERS - RCBS 30 CALIBER 3-WAY CUTTER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Replacement Cutters](#)

The RCBS 3-Way Cutter is designed for use on Trim Pro Case Trimmers and reduces the trimming /deburring chore. The 3-Way Cutter not only trims cases to lengths but an inside blade chamfers the case while an outside blade deburrs it. Install on all Trim Pro Case Trimmers. Order one 3-Way Cutter by caliber and then simply order additional chamfer/pilots for other calibers.

RCBS 3Way Cutter Safety Instructions

Introduction

Thank you for choosing the RCBS 3Way Cutter for your trimming needs. This product is designed to enhance your case trimming experience by trimming, chamfering, and deburring cases efficiently. To ensure safe and effective use of the RCBS 3Way Cutter, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always read the product manual before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cutter for any damage before use. Do not use if damaged.
- Use the cutter only as intended, and for the specified calibers.
- Store the cutter in a safe place when not in use, ensuring it is protected from moisture and extreme temperatures.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the cutter.
- Ensure that your work area is clean and free from distractions.
- Do not attempt to modify the cutter in any way.
- Always follow the installation instructions carefully to avoid accidents.
- Keep fingers and hands clear of the cutting area to prevent injury.
- Do not force the cutter; if you encounter resistance, stop and assess the situation.
- Use the cutter only with compatible Trim Pro Case Trimmers.

Instructions for Installation and Usage

Installation

1. Ensure that the Trim Pro Case Trimmer is turned off and unplugged.
2. Remove the existing cutter if applicable by following the manufacturer's instructions.
3. Align the RCBS 3Way Cutter with the trimmer's mounting area.
4. Secure the cutter in place according to the manufacturer's specifications.
5. Doublecheck that the cutter is tightly installed and does not wobble.

Usage

1. Plug in and turn on the Trim Pro Case Trimmer.
2. Insert the case into the cutter according to the specifications for your caliber.
3. Gently push the case into the cutter, allowing the inside blade to chamfer and the outside blade to deburr.
4. Monitor the process closely to ensure proper trimming and avoid any accidents.
5. Once finished, turn off the trimmer and carefully remove the trimmed case.
6. Clean the cutter after each use to maintain its performance and longevity.

Disposal Instructions

- Dispose of the cutter in accordance with local regulations for metal products.
- Do not dispose of the cutter in regular household waste if it is damaged or broken.
- If the cutter is no longer usable, consider recycling it to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or product support, please reach out to your local distributor or refer to the official RCBS website for further assistance. Always ensure that you have the latest information regarding product recalls and safety updates.

By following these guidelines, you can ensure the safe and effective use of the RCBS 3Way Cutter. Thank you for prioritizing safety in your crafting and trimming activities.
