Safety Instruction Guide for Starrett Precision Screwdriver Set

Introduction

Thank you for choosing the Starrett Precision Screwdriver Set. This guide provides important safety instructions and general guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the screwdrivers.

General Safety Guidelines

- Always inspect the screwdrivers for any damage or wear before use.
- Keep the screwdrivers out of reach of children and vulnerable individuals.
- Use the screwdrivers only for their intended purpose to avoid accidents.
- Store the screwdrivers in a safe and dry place when not in use.
- Do not use screwdrivers with damaged or worn tips, as this can lead to injury.
- Ensure that your working environment is clean and free from hazards.

Specific Safety Precautions for Use

- When using the screwdrivers, ensure that you have a firm grip on the handle.
- Avoid applying excessive force when turning screws to prevent slipping.
- Always use the correct size screwdriver for the screw being worked on.
- Be cautious of sharp edges on the screwdriver blades.
- Do not use screwdrivers as pry bars or for any purpose other than turning screws.
- If the screwdriver slips, move away from the work area to prevent injury.

Instructions for Installation and Usage

- 1. Selecting the Right Screwdriver:**
 - Choose the appropriate screwdriver size:
 - Straight bladed drivers: .060 inch to .120 inch
 - Phillips drivers: 1 to 00
- 2. Using the Screwdriver:**
 - Hold the screwdriver by the handle, ensuring your fingers are positioned away from the blade.
 - Align the blade with the screw head.
 - Turn the handle clockwise to tighten or counterclockwise to loosen the screw.
 - Use smooth, controlled movements to maintain precision.
- 3. After Use:**
 - Clean the screwdrivers with a dry cloth to remove any debris.
 - Store the screwdrivers in the included snapclose case to protect the blades.

Disposal Instructions

- Dispose of the screwdriver set in accordance with local regulations.
- If the screwdrivers are damaged beyond repair, consider recycling them if possible.
- Do not dispose of the screwdrivers in household waste if they can be recycled.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Starrett Precision Screwdriver Set, please refer to the contact information provided with your purchase.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Starrett Precision Screwdriver Set. Always prioritize safety and take the necessary precautions when using hand tools. Thank you for your attention to these guidelines.
