

TYPE S BUSHING FULL DIES - REDDING 6MM BR BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 6MM BR

Introduction

Thank you for choosing the TYPE S BUSHING FULL DIES from Redding. This product is designed for fulllength resizing of cartridge cases while maintaining precise control over the case neck. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle the die with care to avoid injury.
- Ensure that the die is used in accordance with the manufacturer's instructions.
- Keep the die out of reach of children and vulnerable individuals.
- Inspect the die regularly for any signs of damage or wear. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses when operating the die.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the die, ensure that your work area is clean and free from clutter.
- Always ensure that the firearm is unloaded before resizing ammunition.
- Use the die only with compatible cartridge cases as specified by the manufacturer.
- Do not exceed the recommended sizing limits, as this may lead to equipment failure or accidents.
- When adjusting the decapping rod or bushing position, do so slowly and carefully to avoid injury.
- Always follow the manufacturer's guidelines for the use of interchangeable bushings.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace:

- Select a clean, welllit area for resizing operations.
- Gather all necessary tools and materials.

2. Install the Die:

- Secure the die in the reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during use.

3. Adjust the Decapping Rod:

- Loosen the decapping rod and adjust it to the desired position.
- Tighten the rod securely before use.

Usage

1. Resizing Cartridge Cases:

- Place the cartridge case into the die.
- Operate the reloading press to resize the case. Ensure that the die is properly aligned.

- Remove the resized case and inspect it for any defects.

2. Using the Bushing:

- If necessary, remove the bushing for body die usage.
- Ensure that the bushing is reinstalled correctly for resizing operations.

3. PostUse Care:

- Clean the die after each use to maintain performance.
- Store the die in a safe, dry place away from moisture.

Disposal Instructions

- Dispose of the die according to local regulations for metal and hazardous waste.
- Do not dispose of the die in regular household waste.
- If the die is damaged beyond repair, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the TYPE S BUSHING FULL DIES, please consult the EUbased contact point provided by the manufacturer. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
