

TYPE S BUSHING FULL DIES - REDDING 223 REMINGTON BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

Attributes

Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 223 REMINGTON BUSHING FULL LENGTH TYPE S DIE

Introduction

Thank you for choosing the Redding Type S Bushing Full Length Die for your reloading needs. This guide provides essential safety instructions and usage information to ensure safe and effective operation. Please read and understand this guide thoroughly before using the product.

General Safety Guidelines

- Always handle reloading equipment with care and follow the manufacturer's instructions.
- Ensure that the workspace is clean, organized, and free of distractions.
- Keep all reloading components, including dies, tools, and ammunition, out of reach of children and unauthorized persons.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling reloading materials.
- Be aware of the potential hazards associated with reloading, including the risk of injury from sharp tools and the handling of powders and primers.
- Regularly inspect your reloading equipment for signs of wear or damage before use.

Specific Safety Precautions for Use

- **Hazard Identification:** Risk of injury from sharp edges and moving parts. Risk of incorrect resizing leading to ammunition malfunction.
- **Avoiding Hazards:** Always ensure that the die is securely mounted in the press before use. Do not exceed recommended resizing specifications for the cartridge. Use only Redding interchangeable bushings with this die to maintain proper functionality.
- **AgeSpecific Warnings:** This product is intended for use by adults and should not be operated by children. Ensure that anyone using this die has received proper training in reloading safety practices.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the reloading press is securely mounted to a stable surface.
 2. Remove the die from its packaging and inspect for any signs of damage.
 3. Insert the Redding Type S Bushing Full Length Die into the reloading press and tighten securely.
 4. Attach the appropriate bushing for your cartridge size as per the manufacturer's instructions.
- **Usage:**
 1. Adjust the decapping rod to set the desired bushing position.
 2. Insert the cartridge case into the die and lower the press handle to resize the case.
 3. If resizing only part of the neck length is desired, adjust the bushing position accordingly.
 4. After resizing, remove the cartridge case and inspect for proper fit and concentricity.
 5. Clean the die after use to prevent buildup of residues.

Disposal Instructions

- Dispose of any damaged or unusable reloading components in accordance with local regulations.
- Ensure that all reloading materials are stored safely and securely until disposal.

- Follow local guidelines for the disposal of hazardous materials, such as primers and powders.

Contact Information for Further Support

For safety inquiries or support regarding the Redding Type S Bushing Full Length Die, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. By following the guidelines outlined in this document, you can ensure a safe and enjoyable reloading experience.
