

# CARBIDE NECK TURNING MANDRELS - CARBIDE NECK TURNING MANDREL, 6.5MM (.262")

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

Sinclair stainless steel neck turning mandrels for 17 through 50 caliber cartridges are turned from high grade stainless steel on precision turning centers. Turning mandrels are sized .002" under bullet diameter. The shape and surface of all of our mandrels is the result of years of experimenting by many expert handloaders. Our Carbide turning mandrels are precision ground from solid carbide stock, which yields even closer tolerances. All Carbide mandrels are ground to .002" under bullet diameter. Adjustments on our NT-4000 turning tool will be more consistent with carbide mandrels due to the tighter tolerances of the mandrels. Large caliber (35 to 50 caliber) mandrels fit only the Large Caliber Expander Body and the NT-5000 Turning Tool.

## Attributes

- Name: [CARBIDE NECK TURNING MANDREL, 6.5MM \(.262"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749006110
- Mfr. No.:
- Caliber: 6.5mm, 264 Caliber
- Diameter (in): 0.262
- Delivery weight: 0.034kg
- Shipping height: 13mm
- Shipping width: 13mm
- Shipping length: 64mm

# CARBIDE NECK TURNING MANDRELS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the CARBIDE NECK TURNING MANDREL, 6.5MM (.262"). This guide provides essential safety instructions and usage information to ensure a safe and effective experience with our product. Please read this guide carefully before using the mandrel.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this product according to the guidelines provided.
- **Enhanced Recalls:** Stay informed about any recall notices that may apply to this product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around children or vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the relevant EU-based contact.
- **Rapid Alerts:** Keep updated on safety alerts and recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle the mandrel with care to prevent injury.
- Use appropriate personal protective equipment (PPE), including safety glasses and gloves, while operating the mandrel.
- Ensure that the neck turning tool is properly set up and adjusted before use.
- Do not exceed the recommended specifications for the mandrel.
- Keep the work area clean and free of clutter to avoid accidents.
- Store the mandrel in a safe place when not in use to prevent damage and ensure safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the correct caliber mandrel for your application.
- Gather necessary tools and safety equipment.

### 2. Installation:

- Attach the mandrel securely to the turning tool, ensuring it is properly aligned.
- Adjust the NT4000 turning tool according to the specifications for carbide mandrels.

### 3. Usage:

- Start the turning tool at a low speed to ensure stability.
- Gradually increase speed as necessary while monitoring the operation closely.
- Do not force the mandrel; let the tool do the work to avoid damage.
- Regularly check for wear or damage to the mandrel during use.

### 4. PostUse Care:

- Turn off and unplug the tool before removing the mandrel.
- Clean the mandrel and tool after each use to maintain performance.
- Inspect the mandrel for any signs of damage before the next use.

## **Disposal Instructions**

- Dispose of the mandrel in accordance with local regulations.
- Do not dispose of the mandrel in regular household waste.
- If the mandrel is damaged or worn, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or support regarding the CARBIDE NECK TURNING MANDREL, please refer to the relevant EUbased contact point or safety resources available in your region.

By following these guidelines and instructions, you can ensure a safe and effective experience with your CARBIDE NECK TURNING MANDREL. Thank you for your attention to safety.
