[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

CUSTOM COMPETITION 22 CALIBER (0.224") HOLLOW POINT BOAT TAIL RIFLE BULLETS Blending the accuracy of Nosler Custom Competition bullet jackets with our own ultra-precise, lead-alloy cores, we've created one of the most accurate match rifle bullets on the market. The hollow point provides a small meplat for reduced drag and increased aerodynamic efficiency while the pronounced boat-tail design provides exceptional flight characteristics over a wide range of velocities. Engineered to exhibit unmatched accuracy, the custom quality jacket form-fits the lead-alloy core for maximum bullet stability and balance. Hand-inspected for quality assurance, Nosler Custom Competition bullets rival all others on the range. FEATURES: Hollow Point Custom Quality Jacket Form-Fitted, Lead-Alloy Core Pronounced Boat-Tail Design

CUSTOM COMPETITION 22 CALIBER (0.224") HPBT BULLETS SAFETY INSTRUCTIONS

Introduction

Welcome to the safety instruction guide for the CUSTOM COMPETITION 22 CALIBER (0.224") HPBT BULLETS by Nosler. This document aims to provide you with essential safety information to ensure the safe handling, usage, and disposal of these highperformance match bullets. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store bullets in a cool, dry place away from children and unauthorized users.
- Use proper protective equipment, such as safety glasses and hearing protection, when handling or firing ammunition.
- Ensure that your firearm is compatible with 22 caliber ammunition before use.
- Familiarize yourself with local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- **Identification of Hazards:**

- Bullets are designed for use in firearms and should only be used in accordance with the firearm manufacturer's specifications.
- Improper handling or use may result in serious injury or death.

- **Avoiding Hazards:**

- Do not attempt to modify or alter the bullets in any way.
- Always use the correct caliber and type of ammunition for your specific firearm.
- Avoid using damaged or corroded ammunition.
- Never point a firearm at anything you do not intend to shoot.

- **AgeSpecific Warnings:**

- These bullets are intended for use by individuals who are legally permitted to handle firearms and ammunition.
- Keep bullets and firearms out of reach of children and untrained individuals.

Instructions for Installation and Usage

- **Installation:**

- Ensure your firearm is unloaded before handling ammunition.
- Open the box of bullets carefully, avoiding any sharp edges.
- Inspect each bullet for damage or defects before use.

- **Usage:**

- Load the bullets into your firearm according to the manufacturer's instructions.
- Always check the firearm's chamber and magazine to ensure they are clear of any obstructions before loading.
- Fire the ammunition in a safe and controlled environment, following all local laws and regulations.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CUSTOM COMPETITION 22 CALIBER (0.224") HPBT BULLETS, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

Conclusion

By following the safety guidelines and instructions outlined in this document, you can ensure a safer experience when using CUSTOM COMPETITION 22 CALIBER (0.224") HPBT BULLETS. Always prioritize safety and responsibility when handling firearms and ammunition. Thank you for choosing Nosler.
