# **FULL LENGTH DIE SETS REDDING 300 H&H MAGNUM FULL LENGTH DIE SET Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Redding Full Length Die Set for the 300 H&H Magnum. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before use to understand the potential hazards and how to mitigate them.

## **General Safety Guidelines**

- Always handle the die set with care to avoid injury.
- Ensure that the die set is used in a wellventilated area.
- Keep the die set and all components out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## **Specific Safety Precautions for Use**

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the die set.
- Ensure that the work area is clean and free of clutter to prevent accidents.
- Avoid loose clothing and jewelry that could become caught in machinery during operation.
- Always follow the manufacturer's instructions for installation and usage to prevent accidents.
- Be aware of your surroundings and ensure that no one is in close proximity when operating the die set.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that your reloading press is compatible with the Redding Full Length Die Set.
- Securely attach the full length sizing die to your press according to the manufacturer's instructions.
- Adjust the die to achieve the desired sizing specifications as per your reloading requirements.

### **2. Usage:**

- Before using the die set, ensure that the work area is clean and organized.
- Insert the cartridge case into the die, ensuring it is positioned correctly.
- Operate the reloading press slowly and steadily to avoid damaging the die or the cartridge case.
- After sizing, check the cartridge case dimensions to ensure they meet specifications.
- Use the standard seating die to properly seat the bullet, following the manufacturer's guidelines.

## **Disposal Instructions**

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Do not throw the die set in regular trash; check for any recycling programs that may accept metal components.
- Ensure that any hazardous materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please reach out to the manufacturer's customer service or consult the product documentation provided.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your Redding Full Length Die Set for the 300 H&H Magnum. Always prioritize safety and stay informed about best practices for reloading and equipment usage. Thank you for choosing Redding.
