# Safety Instruction Guide for Redding Full Length Die Set 257 Weatherby Magnum

## Introduction

Thank you for choosing the Redding Full Length Die Set for your reloading needs. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the die set.

## General Safety Guidelines

- Ensure that you are familiar with the basic safety practices of reloading ammunition.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep all reloading components, including dies, out of reach of children and unauthorized users.
- Store the die set in a cool, dry place to prevent corrosion and damage.
- Regularly inspect the die set for signs of wear or damage before use.
- If you encounter any issues or have questions, seek assistance from a qualified expert.

## Specific Safety Precautions for Use

- Use the die set only for the designated cartridge: 257 Weatherby Magnum.
- Follow the manufacturer's instructions for setup and operation.
- Do not modify the die set in any way, as this may compromise safety and performance.
- Ensure that the reloading press is securely mounted and stable before use.
- Avoid distractions while reloading to maintain focus and safety.
- Dispose of any defective or damaged components properly.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged (if applicable).
- Attach the full length sizing die to the press according to the manufacturer's instructions.
- Secure the die in place, ensuring it is tightened properly.
- Insert the standard seating die into the press, following the same procedure.

### 2. Usage:

- Prepare your workspace by ensuring it is clean and organized.
- Follow the recommended reloading procedures for the 257 Weatherby Magnum cartridge.
- Use the sizing die first to resize the brass cases before seating the bullets.
- Adjust the seating die according to the manufacturer's specifications for bullet seating depth.
- After reloading, inspect each round for proper assembly and safety before use.

## Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not throw away the die set or its components in regular trash. Contact local waste disposal services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's website or customer support resources available for the Redding Full Length Die Set.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Full Length Die Set. Thank you for your attention to safety and for choosing Redding products.
