# Safety Instruction Guide for Redding Full Length Die Set 338 Marlin Express

## Introduction

Thank you for choosing the Redding Full Length Die Set for 338 Marlin Express. This product is designed for precision reloading of ammunition. It is essential to follow safety guidelines to ensure safe and effective use. This guide outlines important safety information, installation instructions, and disposal methods.

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the workspace is clean, dry, and welllit.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Be aware of the potential hazards associated with ammunition reloading, including but not limited to:
  - Fire hazards from gunpowder.
  - Chemical exposure from primers and other materials.
  - Mechanical hazards from the reloading equipment.

## Specific Safety Precautions for Use

- Ensure that the die set is compatible with your reloading press before use.
- Inspect the die set for any damage or wear before each use. Do not use if damaged.
- Follow all manufacturer guidelines for the specific cartridge being reloaded.
- Do not exceed the recommended load specifications provided by the powder manufacturer.
- Always doublecheck powder charges before seating bullets.
- Store all reloading materials in a cool, dry place away from direct sunlight and heat sources.
- In case of an accident or injury, seek immediate medical assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the full length sizing die to your reloading press according to the manufacturer's instructions.
- Adjust the die to ensure proper alignment with the shell holder.
- Insert the shell holder into the press and ensure it is locked in place.

### 2. Usage:

- Begin by resizing the brass cases. Follow the instructions specific to the 338 Marlin Express cartridge.
- After resizing, clean the cases to remove any debris or residues.
- Proceed to the next step of reloading, which involves priming and charging the cases with powder.
- Finally, seat the bullets according to the specifications provided in your reloading manual.

## Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Do not throw away reloading components in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer or the retailer from which the product was purchased. Ensure that you have the product details ready for assistance.

By following these safety instructions, you can ensure a safe and successful reloading experience with the Redding Full Length Die Set for 338 Marlin Express. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
