Safety Instruction Guide for Redding Full Length Die Set 223 WSSM

Introduction

Thank you for choosing the Redding Full Length Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read through this document carefully before using the die set.

General Safety Guidelines

- Ensure the die set is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the die set for signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The die set contains sharp edges and small parts that may pose a risk of injury.
- Improper use may lead to malfunction or accidents.

- **Avoiding Hazards:**

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die set.
- Ensure your workspace is clean, welllit, and free from distractions.
- Do not use the die set if you are under the influence of drugs or alcohol.
- Follow all reloading safety protocols and guidelines to prevent accidents.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**

- Ensure your reloading press is securely mounted and stable.
- Follow the manufacturer's instructions for installing the full length sizing die and seating die.
- Tighten the dies securely to prevent movement during operation.

- **Usage:**

- Read the reloading manual specific to the 223 WSSM cartridge before proceeding.
- Use the full length sizing die to resize the brass cases to the correct dimensions.
- Adjust the seating die according to the specific bullet being used for proper seating depth.
- Always check the reloaded ammunition for proper dimensions and quality before use.

Disposal Instructions

- Dispose of any damaged or unusable components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check for local recycling programs that accept metal components.

Contact Information for Further Support

For any questions or concerns regarding the Redding Full Length Die Set, please refer to the manufacturer's official website or contact their customer support service. Ensure you have the product number and details ready for a more efficient response.

Thank you for prioritizing safety while using the Redding Full Length Die Set. Your adherence to these guidelines will help ensure a safe and enjoyable reloading experience.
