Redding Neck Sizing Die Set Safety Instructions

Introduction

Thank you for choosing the Redding Neck Sizing Die Set for your reloading needs. This product is designed for safe and effective use in the reloading process for 30 Remington AR cartridges. Please read these safety instructions carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the specific requirements for reloading ammunition.
- Keep the workspace clean and organized to prevent accidents.
- Store the die set in a safe place, out of reach of children and pets.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Be aware of your surroundings and ensure no distractions while using the die set.
- Regularly check the equipment for wear and tear, and replace any damaged parts immediately.

Specific Safety Precautions for Use

- Do not exceed the recommended load data for the cartridges you are reloading.
- Ensure that the die set is compatible with the cartridges you are using.
- Use only the recommended tools when installing or adjusting the die set.
- Never attempt to modify the die set or its components.
- Follow the manufacturer's instructions for die installation and usage.
- If you notice any unusual sounds or resistance while using the dies, stop immediately and inspect the equipment.
- Keep your hands and face clear of the die set during operation to avoid injury.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove the die set from its packaging and inspect for any damage.
- Install the Neck Sizing Die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for your specific cartridge.

2. Usage:

- Place a clean, empty cartridge case into the reloading press shell holder.
- Operate the press handle smoothly to size the neck of the cartridge case.
- After sizing, remove the cartridge case and inspect it for proper sizing.
- Use the Seating Die to seat the bullet into the cartridge case, following the manufacturer's guidelines.
- Ensure the crimp ring is properly engaged if crimping is required.

Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Do not dispose of reloading materials or spent cartridges in regular household waste.
- Contact your local waste management authority for proper disposal methods for reloading materials.

Contact Information for Further Support

For any questions or concerns regarding the Redding Neck Sizing Die Set, please refer to the manufacturer's website or customer service for assistance. It is essential to keep all documentation and receipts related to your purchase for warranty purposes.

By following these safety instructions, you will ensure a safe and effective reloading experience with your Redding Neck Sizing Die Set. Thank you for your attention to safety and responsible reloading practices.
