

# SEATER DIES - REDDING SEATER DIE 460 WEATHERBY MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

# Safety Instruction Guide for Redding Seating Die 460 Weatherby Mag

## Introduction

Thank you for choosing the Redding Seating Die 460 Weatherby Mag. This guide is designed to provide you with important safety information and instructions to ensure safe and effective use of this product. Please read this guide carefully and keep it for future reference.

## General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that all components are in good condition and free from defects before use.
- Store the die in a dry and safe place, away from children and pets.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the die.
- Be aware of your surroundings and ensure that no unauthorized persons are present in the work area during use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- **Hazard Identification:** The die is designed for reloading ammunition and should only be used for this purpose. Improper use may result in personal injury or damage to property.
- **Avoiding Hazards:** Do not exceed the recommended load limits for the die. Always ensure that the die is securely mounted before use. Use only compatible components with the die to prevent malfunctions. Do not attempt to modify the die or use it for unintended purposes.
- **AgeSpecific Warnings:** This product is intended for use by individuals aged 18 and over. Keep out of reach of children.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the workspace is clean and welllit.
  2. Securely mount the die in a compatible reloading press following the manufacturer's instructions.
  3. Verify that all components are properly installed and tightened.
- **Usage:**
  1. Prepare the cases and ensure they are clean and free of any obstructions.
  2. Insert the bullet into the die's bullet guide.
  3. Adjust the seating plug to the desired seating depth as per your specifications.
  4. Operate the reloading press smoothly and steadily to seat the bullet properly.
  5. Inspect the finished round to ensure proper seating and crimping.
- **PostUsage:** Clean the die after each use to prevent corrosion and ensure longevity. Store the die in its original packaging or a suitable container to protect it from damage.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal

methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding the Redding Seating Die 460 Weatherby Mag, please refer to the manufacturer's website or contact their customer service.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and for choosing Redding products.
