

# SEATER DIES - REDDING SEATER DIE 416 WEATHERBY MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

# Safety Instruction Guide for SEATER DIES REDDING SEATER DIE 416 WEATHERBY MAG

## Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 416 WEATHERBY MAG. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read this document carefully before using the die.

## General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's specifications.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling or using the die.
- Keep the workspace clean and organized to prevent accidents.
- Ensure proper ventilation when using the die to avoid inhalation of any fumes or particles.
- Do not use the die for any purpose other than its intended use.
- Store the die in a safe, dry place away from children and pets.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Sharp edges: The die may have sharp edges that can cause cuts.
- Heavy components: The die can be heavy and may cause injury if dropped.

### • Avoiding Hazards:

- Handle the die carefully to avoid cuts from sharp edges.
- Use both hands when lifting to prevent dropping.
- Keep fingers away from moving parts during operation.

### • Age Restrictions:

- This product is not intended for use by individuals under the age of 18. Ensure that only qualified adults handle and operate the die.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is compatible with the die.
2. Securely mount the die onto the reloading press according to the manufacturer's instructions.
3. Adjust the die for proper seating depth as per the specifications provided in your reloading manual.

### • Usage:

1. Insert the cartridge case into the reloading press.
2. Place the bullet into the cartridge case.
3. Slowly raise the ram to seat the bullet to the desired depth.
4. Lower the ram and remove the completed cartridge.
5. Inspect the seated bullet for proper alignment and depth.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the die becomes damaged or is no longer usable, dispose of it in a manner that complies with local waste disposal regulations. Do not discard in regular trash if hazardous materials are involved.

## **Contact Information for Further Support**

For any safety inquiries regarding this product, please refer to the manufacturer's customer support resources. Ensure that you have the product information available for a more efficient response.

Thank you for your attention to these safety guidelines. By following these instructions, you can help ensure a safe and effective reloading experience with the SEATER DIES REDDING SEATER DIE 416 WEATHERBY MAG.
