# Redding Seater Die Safety Instruction Guide

## Introduction

Thank you for choosing the Redding Seater Die for your reloading needs. This guide provides important safety information to ensure the safe use of the product. Please read this manual carefully before using the die to understand the necessary precautions and instructions.

## General Safety Guidelines

- Ensure the die is used only for its intended purpose: seating bullets in cartridges.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Be aware of your surroundings and ensure that no distractions are present while using the die.
- Follow all local laws and regulations regarding ammunition reloading and usage.
- Regularly inspect the die for wear and damage. Do not use if any parts are damaged or missing.

## Specific Safety Precautions for Use

- Always ensure that the die is securely fastened to your reloading press before use.
- Use only compatible cartridges as specified in the product details (e.g., 35 Whelen Imp 40).
- Avoid overtightening the die, which may cause damage to the press or die.
- Do not attempt to modify the die or use it for purposes other than bullet seating.
- If you experience any unusual resistance or malfunction during use, stop immediately and inspect the die.
- Do not leave the die unattended while in use.

## Instructions for Installation and Usage

### 1. Installation:

- Clean the reloading press and ensure it is free from debris.
- Attach the Redding Seater Die to the press by threading it into the appropriate die holder. Use a wrench to securely tighten, but do not overtighten.
- Insert the bullet guide and seating plug as per the manufacturer's instructions.

### 2. Usage:

- Prepare your cartridges according to standard reloading practices.
- Place the cartridge in the press and ensure it is properly aligned with the die.
- Adjust the seating depth according to your desired specifications.
- Operate the press to seat the bullet, ensuring smooth and even pressure.
- After use, clean the die with a soft cloth to remove any residue.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die becomes unusable or damaged beyond repair, check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Redding Seater Die, please reach out to the appropriate local contact as specified by the manufacturer.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Seater Die. Thank you for prioritizing safety while enjoying your reloading hobby.
