

SEATER DIES - REDDING SEATER DIE 7MM-300 WEATHERBY MAGNUM

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

Safety Instruction Guide for Redding Seating Die 7mm300 Weatherby Magnum

Introduction

Thank you for choosing the Redding Seating Die 7mm300 Weatherby Magnum. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that all users are familiar with the operation of reloading equipment.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading materials.
- Keep the work area clean and organized to prevent accidents.
- Store all reloading materials and tools out of reach of children and pets.
- Regularly inspect the die for signs of wear or damage before use.
- Do not use the die for any purpose other than its intended use.

Specific Safety Precautions for Use

- Always make sure the die is securely mounted in the reloading press before beginning operations.
- Do not exceed the recommended load specifications for the 7mm300 Weatherby Magnum cartridge.
- Avoid distractions while using the die to maintain focus and precision.
- If you experience any unusual noises or resistance while using the die, stop immediately and inspect for issues.
- Do not attempt to modify the die or its components.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the die from its packaging.
- Inspect the die for any visible damage or defects.
- Securely mount the die into the reloading press according to the manufacturer's instructions.
- Ensure the bullet guide is properly aligned before use.

2. Usage:

- Adjust the seating plug to the desired depth for your bullet.
- Place the cartridge case into the press and ensure it is properly aligned.
- Slowly and steadily operate the press to seat the bullet.
- After seating, inspect the cartridge to ensure proper bullet seating and crimping.

Disposal Instructions

- Dispose of any defective or damaged dies in accordance with local waste disposal regulations.
- Do not throw away the die in regular household waste if it is damaged; instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Redding Seating Die, please refer to the manufacturer's customer support. Ensure you have the product details ready for assistance.

Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience with your Redding Seating Die 7mm300 Weatherby Magnum. Always prioritize safety and consult the relevant authorities if you encounter any unsafe conditions or incidents.
