

# SEATER DIES - REDDING SEATER DIE 6.5 GRENDEL

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

# Safety Instruction Guide for SEATER DIES REDDING SEATER DIE 6.5 GRENDEL

## Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 6.5 GRENDEL. This guide provides essential safety information and instructions for the safe use of this product. Please read this guide carefully to ensure proper handling and usage.

## General Safety Guidelines

- Ensure that you are familiar with the product before use.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or incidents to local authorities.
- Stay updated on recall information through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the die only for its intended purpose: bullet seating for 6.5 Grendel cartridges.
- Do not exceed the recommended load limits when using the die.
- Ensure that the die is securely mounted in your reloading press before use.
- Follow the manufacturer's instructions for adjusting the die to avoid improper seating of bullets.
- Never attempt to modify or repair the die yourself.
- Store the die in a cool, dry place when not in use to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is clean and free of debris.
- Insert the SEATER DIES REDDING SEATER DIE into the reloading press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.
- Attach the bullet guide and crimp ring as specified in the product manual.

### 2. Usage:

- Prepare your 6.5 Grendel cartridges according to the recommended reloading guidelines.
- Place a bullet into the bullet guide of the die.
- Adjust the seating plug to the desired depth for bullet seating.
- Operate the reloading press to seat the bullet firmly into the cartridge case.
- Inspect each cartridge after seating to ensure proper bullet alignment and depth.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs for metal products.
- Ensure that all packaging materials are disposed of responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the SEATER DIES REDDING SEATER DIE 6.5 GRENDDEL, please refer to the manufacturer's contact information provided in the product packaging or manual.

By following these safety instructions, you can ensure a safe and effective experience with your SEATER DIES REDDING SEATER DIE 6.5 GRENDDEL. Thank you for prioritizing safety in your reloading activities.
