

# TWO-STITCH BUNNY EAR REAR BAGS - PROTEKTOR TWO STITCH REAR BAG W/CORDURA EARS

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

These bags are approximately three and five eights inches tall from base to bottom of ears with two rows of stitching. We've found that the newer stock styles roll around on top of single stitch bags for lack of contact and have a tendency to wiggle between the ears in three stitch bags. The two rows of stitching between the ears on these bags offer the shooter the best combination of contact and stability. Note: Sand is required to fill these bags.

## Attributes

- Name: [PROTEKTOR TWO STITCH REAR BAG W/CORDURA EARS](#)
- Manufacturer: [PROTEKTOR](#)
- Product no.: 749006280
- Mfr. No.: 14BC-DS

## Safety Instruction Guide

### Introduction

Thank you for choosing the TWOSTITCH BUNNY EAR REAR BAGS PROTEKTOR. This guide provides essential safety instructions to ensure the safe use and maintenance of your rear bags. Please read this guide carefully to understand the necessary precautions and proper usage.

### General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided in this guide.
- Regularly inspect the bags for any signs of wear or damage before use.
- Keep the bags out of reach of children and pets to prevent accidents.
- Do not use the bags for any purpose other than what they are designed for.
- Be aware of your surroundings when using the bags to avoid accidents.

### Specific Safety Precautions for Use

- **Stability:** Ensure that the bags are placed on a stable surface to prevent tipping.
- **Filling:** Only use sand to fill the bags as specified. Other materials may compromise stability and safety.
- **Weight Distribution:** Ensure that the weight is evenly distributed within the bags when filled to maintain balance.
- **Contact Points:** Verify that the bags make proper contact with the shooting surface to enhance stability.
- **Avoid Overfilling:** Do not overfill the bags, as this may cause them to become unstable and difficult to handle.

### Instructions for Installation and Usage

#### 1. Filling the Bags:

- Open the filling port of the rear bags.
- Carefully pour sand into the bags until they reach the desired weight. Ensure that the bags are not overfilled.
- Close the filling port securely after filling.

#### 2. Setting Up the Bags:

- Place the filled rear bags on a flat and stable surface.
- Position the bags in a way that allows for proper contact with your shooting equipment.

#### 3. Using the Bags:

- When using the bags, ensure that they are positioned correctly to provide maximum support.
- Adjust the positioning as necessary to achieve the desired stability during use.

#### 4. After Use:

- Inspect the bags for any signs of wear or damage.
- Store the bags in a dry place away from direct sunlight to prolong their lifespan.

## Disposal Instructions

- Dispose of the bags in accordance with local regulations.
- If the bags are damaged beyond repair, check with local waste management for proper disposal methods.
- Ensure that any filling material (sand) is disposed of in an environmentally friendly manner.

## Contact Information for Further Support

For safety inquiries or further support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

**Note:** Reporting unsafe products or accidents can help improve product safety for all consumers. Always stay informed about recall updates through the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Enjoy using your TWOSTITCH BUNNY EAR REAR BAGS PROTEKTOR safely and responsibly.
