NOSLER® PARTITION 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. **FEATURES:** Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [NOSLER 375 CALIBER \(0.375"\) 300GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749006286
- Mfr. No.: 44845
- Ballistic Coefficient (G1): 0.398
- Brand Style: Partition
- Bullet Style: Spitzer
- Caliber: 375 Caliber
- Diameter (Breech): 0.375
- Diameter (in): 0.375
- Grain: 300
- Sectional Density: 0.305
- Quantity: 50
- Delivery weight: 0.975kg
- Shipping height: 54mm
- Shipping width: 62mm
- Shipping length: 82mm
- UPC: 054041448451

Safety Instruction Guide for Nosler Partition Bullets

Introduction

Welcome to the safety instruction guide for Nosler Partition Bullets, specifically the Nosler 375 Caliber (0.375") 300GR Spitzer. This guide aims to provide you with essential safety information to ensure the safe use of this product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that all safety measures are followed to prevent accidents and injuries.
- Always treat bullets as if they are loaded and ready to fire.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Regularly check for updates regarding product recalls or safety notices.

Specific Safety Precautions for Use

- Always use the appropriate firearm that is compatible with the 375 Caliber bullets.
- Wear appropriate eye and ear protection when handling and firing bullets.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Inspect the bullets for any signs of damage before use. Do not use damaged bullets.
- Ensure that the firearm is in good working condition before loading and firing.
- Avoid using bullets in firearms that are not designed for this caliber.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm to ensure it is unloaded.
- Carefully load the Nosler Partition Bullets into the magazine or chamber according to the manufacturer's instructions.

2. Firing the Firearm:

- Always assume the firearm is loaded.
- Check your surroundings to ensure it is safe to fire.
- Firmly grip the firearm and align your sights on the target.
- Squeeze the trigger gently to fire the bullet.

3. Post Firing:

- After firing, always check the firearm to ensure it is unloaded before handling.
- Clean the firearm according to the manufacturer's instructions to maintain performance and safety.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.
- Ensure that bullets are stored securely until they can be disposed of safely.

Contact Information for Further Support

For any safety inquiries or additional information regarding the Nosler Partition Bullets, please refer to the manufacturer's contact points. Always ensure you are following the latest guidelines and recommendations for safe usage.

Thank you for choosing Nosler Partition Bullets. Your safety is our priority.
