

EDGEWOOD HAND REST - EDGEWOOD SHOOTING BAGS

EDGEWOOD HAND REST

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

This Hand Rest Bag is excellent for resting your hand or wrist on if you shoot benchrest free recoil style. One end is sloped slightly, so this bag would work well as a rear bag for hunting or varmint rifle in the field. The Hand Bag is high quality grained leather with a stiff, double layer bottom so it sits flat and it has the new bottom pocket tabbed fill tube. Bag is seven and a half inches long, five inches wide and two and three fourths inches tall when filled full - height would be much less and the bag very soft if less sand were used. Note: Sand is required to fill this bag.

EDGEWOOD HAND REST Safety Instructions

Introduction

Thank you for choosing the EDGEWOOD HAND REST. This product is designed to provide stability and support while shooting, particularly in benchrest free recoil style. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the hand rest bag before use to ensure it is in good condition.
- Do not use the hand rest bag if it shows signs of wear or damage.
- Keep the hand rest bag out of reach of children and pets when not in use.
- Use the hand rest bag only for its intended purpose, which is to support your hand or wrist while shooting.
- Ensure that the bag is filled with sand as specified; do not use any other materials for filling.

Specific Safety Precautions for Use

- When using the hand rest bag, ensure that it is placed on a stable surface to prevent it from slipping or tipping over.
- Avoid placing the hand rest bag in areas where it could be exposed to moisture or extreme temperatures, as this may damage the leather material.
- Do not overload the bag with excessive sand; follow the recommended filling instructions to maintain its shape and effectiveness.
- Be aware of your surroundings while shooting. Ensure that the area is clear of obstacles and that you have a safe shooting backdrop.
- Use protective eyewear and hearing protection while shooting.

Instructions for Installation and Usage

1. Filling the Hand Rest Bag:

- Open the bottom pocket tabbed fill tube.
- Carefully fill the bag with sand until it reaches the desired weight and firmness. The bag should be filled to a maximum height of two and threefourths inches when filled.
- Close the fill tube securely to prevent sand from leaking out.

2. Using the Hand Rest Bag:

- Position the hand rest bag on a flat, stable surface.
- Rest your hand or wrist on the sloped end of the bag for support.
- Adjust your shooting position as necessary to ensure comfort and stability.

3. PostUse Care:

- After use, store the hand rest bag in a dry place away from direct sunlight.
- Wipe the exterior with a clean, dry cloth to remove any dirt or debris.

Disposal Instructions

- When the hand rest bag has reached the end of its useful life, dispose of it responsibly.
- Do not dispose of the bag in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options for leather products.

- Ensure that all sand is removed from the bag before disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the EDGEWOOD HAND REST, please refer to the EU contact point for assistance. You can find relevant information on the EU's Safety Gate platform for updates on recalls or safety notices.

Thank you for prioritizing safety while using the EDGEWOOD HAND REST. Enjoy your shooting experience!
