## DAVIDSON BARREL VISE

### Introduction

Thank you for choosing the BARREL VISE DAVIDSON BARREL VISE. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the barrel vise.

### General Safety Guidelines

- Always ensure the barrel vise is used in a safe environment, away from flammable materials.
- Inspect the barrel vise for any damage or wear before each use.
- Ensure that all components, including grade 8 nuts and washers, are in good condition.
- Do not exceed the maximum barrel size of 11/2 inch.
- Keep the barrel vise out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling equipment.

### Specific Safety Precautions for Use

- Ensure the barrel is securely positioned in the vise before applying any force.
- Avoid placing hands or body parts near moving parts during operation.
- Do not attempt to modify or repair the barrel vise without professional assistance.
- Ensure that the work area is welllit and free of obstructions.
- Be cautious of sharp edges and potential pinch points when using the vise.

### Instructions for Installation and Usage

#### 1. Installation

- Place the barrel vise on a stable and flat surface.
- Ensure that the vise is securely fastened to prevent movement during use.
- Check that the vise is level and adjust as necessary.

#### 2. Usage

- Open the vise jaws by turning the handle counterclockwise.
- Place the barrel securely between the jaws of the vise.
- Tighten the handle clockwise until the barrel is firmly held in place.
- Avoid overtightening, which may damage the barrel or vise.
- Once the work is complete, loosen the handle and carefully remove the barrel.

### Disposal Instructions

- Dispose of the barrel vise in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the barrel vise in regular household waste.

### Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to your local regulatory body or the EU's Safety Gate platform for updates on product recalls and safety alerts.

By following these guidelines, you can ensure the safe and effective use of the BARREL VISE DAVIDSON BARREL VISE. Thank you for your attention to safety.
