

Edgewood Bolt Holster - EDGEWOOD SHOOTING BAGS EDGEWOOD BOLT HOLSTER

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

A bolt holster is the safe, convenient way to carry your bolt (and not forget to take it to the firing line) at any type of shooting match - most match rules require that bolts be removed from rifles when you are not on the firing line. Edgewood bolt Holsters fit almost all factory and custom action bolts and carry them securely and safely. Holsters are expertly made, attractive with a Cordura insert in the fold-over flap closure, and lined with smooth leather to protect your bolt. Strong belt clip riveted to the back of the holster.

Edgewood Bolt Holster Safety Instruction Guide

Introduction

Thank you for choosing the Edgewood Bolt Holster. This product is designed to provide a safe and convenient way to carry your bolt during shooting matches. This safety instruction guide outlines important safety guidelines, precautions for use, installation instructions, and disposal information to ensure your safety and the longevity of your product.

General Safety Guidelines

- Always ensure that your bolt is completely removed from the rifle when not on the firing line.
- Inspect the holster before each use to ensure it is in good condition and free from damage.
- Store the holster in a safe place, away from children and pets.
- Do not use the holster for any purpose other than carrying your bolt.
- If you notice any wear or damage to the holster, discontinue use immediately and replace it.

Specific Safety Precautions for Use

- Ensure that the bolt is securely placed in the holster before carrying it.
- Do not overload the holster with multiple bolts, as this may compromise its integrity.
- Avoid exposing the holster to extreme temperatures, moisture, or harsh chemicals.
- When using the holster, make sure the belt clip is securely attached to your belt or clothing to prevent accidental drops.
- Always check local regulations regarding the transportation of firearm accessories.

Instructions for Installation and Usage

1. Attaching the Holster:

- Locate the strong belt clip on the back of the holster.
- Slide the clip onto your belt or waistband, ensuring it is secure and will not slip off.

2. Placing the Bolt:

- Open the foldover flap closure of the holster.
- Carefully place the bolt into the holster, ensuring it is positioned securely.
- Close the flap over the bolt to protect it and prevent it from falling out.

3. Carrying the Holster:

- Ensure the holster is positioned comfortably on your body.
- Regularly check that the bolt remains secure in the holster during use.

4. Removing the Bolt:

- When ready to use the bolt, open the flap and carefully remove it from the holster.
- Always handle the bolt with care to prevent accidents.

Disposal Instructions

- When the holster reaches the end of its useful life, dispose of it responsibly.
- Check local regulations for proper disposal methods of fabric and plastic materials.
- Do not burn the holster, as it may release harmful substances.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your Edgewood Bolt Holster, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure safe use of your Edgewood Bolt Holster and comply with relevant safety regulations. Thank you for your attention to safety, and enjoy your shooting experience!
