

# **CUSTOM COMPETITION 6.5MM (0.264") HPBT RIFLE BULLETS - CUSTOM COMPETITION 6.5MM (0.264") HPBT 140GR 250/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

CUSTOM COMPETITION 6.5MM (0.264") HOLLOW POINT BOAT TAIL RIFLE BULLETS Blending the accuracy of Nosler Custom Competition bullet jackets with our own ultra-precise, lead-alloy cores, we've created one of the most accurate match rifle bullets on the market. The hollow point provides a small meplat for reduced drag and increased aerodynamic efficiency while the pronounced boat-tail design provides exceptional flight characteristics over a wide range of velocities. Engineered to exhibit unmatched accuracy, the custom quality jacket form-fits the lead-alloy core for maximum bullet stability and balance. Hand-inspected for quality assurance, Nosler Custom Competition bullets rival all others on the range. FEATURES: Hollow Point Custom Quality Jacket Form-Fitted, Lead-Alloy Core Pronounced Boat-Tail Design

# Consumer Safety Instruction Guide for CUSTOM COMPETITION 6.5MM (0.264") HPBT RIFLE BULLETS

## Introduction

Thank you for choosing the CUSTOM COMPETITION 6.5MM (0.264") HPBT RIFLE BULLETS. This guide provides essential safety instructions and guidelines to ensure safe handling and usage of these rifle bullets. Please read this document carefully and follow all instructions to minimize risks associated with their use.

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety rules and practices.
- Always store ammunition in a cool, dry place away from direct sunlight.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect bullets for any visible damage before use.
- Use only in firearms that are designed for the specified caliber.
- Always wear appropriate protective gear, including safety glasses and hearing protection, when using firearms.

## Specific Safety Precautions for Use

### • Hazard Identification:

- These bullets are designed for use in rifles and can cause serious injury or death if misused.
- Improper handling or storage can lead to accidental discharge.

### • Avoiding Hazards:

- Never point a firearm at anything you do not intend to shoot.
- Ensure that the firearm is unloaded when not in use.
- Use only the appropriate caliber and type of bullets for your firearm.
- Follow all local laws and regulations regarding the use and storage of ammunition.

### • Age Restrictions:

- These bullets are intended for use by adults only. Keep out of reach of minors.

## Instructions for Installation and Usage

### • Installation:

- Ensure the firearm is in a safe condition (unloaded) before inserting bullets.
- Follow the manufacturer's instructions for loading ammunition into your specific firearm.

### • Usage:

- Always check the firing chamber to confirm that it is clear before loading.
- Load the bullets carefully into the magazine or chamber as per the firearm's operational manual.
- When ready to shoot, ensure that you are in a safe shooting environment.
- Aim at a designated target and ensure that the area behind the target is clear.
- After shooting, always check the firearm to ensure it is clear before handling further.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.
- Ensure that any spent casings are collected and disposed of safely to prevent accidental injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the CUSTOM COMPETITION 6.5MM (0.264") HPBT RIFLE BULLETS, please consult the retailer or manufacturer for support. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for prioritizing safety while using our products. Your adherence to these guidelines not only protects you but also contributes to the safety of others.
