

CLEANING RODS - DEWEY 54 50 CAL CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Dewey cleaning rods are a favorite with competition shooters in all disciplines. The coating on Dewey rods is tough and expertly applied. We include a jag and brush adapter (where needed) with all Dewey rods. We have added the 20 caliber rods recently - they are also the perfect rod for your .22 rimfire rifles. The .17 to .20 caliber rods are hardened, polished stainless steel and are not coated. Coated Rods - All Dewey rods for .22 caliber and up CENTER FIRE rifles are coated and male threaded. A jag and a brush adapter are included with each rod (.22 caliber jag with the .22 to 6.5 rods, .30 caliber with the .277 and up rods, .35 caliber with the .35 and up rods and .50 caliber with the .50 caliber rods. Stainless Rods - Dewey's .17 and .22 rimfire/.20 caliber center fire rods are female threaded uncoated stainless steel. The .17 caliber rods come with .17 caliber jag. The .22 rim fire/.20 caliber rods come with a .20 caliber jag that works for both types of cartridges. ROD LENGTHS DO NOT INCLUDE HANDLE.

Safety Instruction Guide for Dewey Cleaning Rods

Introduction

Thank you for choosing Dewey Cleaning Rods. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning rods. Please read this guide carefully before use to understand the safety precautions and proper handling procedures.

General Safety Guidelines

- Always inspect the cleaning rod before use. Look for any signs of damage or wear.
- Use the cleaning rod only for its intended purpose, which is to clean firearms.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Do not use the cleaning rod with excessive force, as this may cause damage to both the rod and the firearm.
- If you notice any unusual behavior or performance from the cleaning rod, discontinue use immediately and consult the manufacturer.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the cleaning rod.
- Always point the firearm in a safe direction when cleaning.
- Use the appropriate jag and brush adapter for your caliber to avoid damage to the cleaning rod or the firearm.
- Avoid using the cleaning rod in wet conditions or with wet firearms to prevent rust and corrosion.
- Do not attempt to modify or repair the cleaning rod; this may compromise its safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary tools and materials, including the cleaning rod, jag, brush adapter, and cleaning solution.

2. Attachment:

- Attach the appropriate jag or brush adapter to the end of the cleaning rod. Ensure it is securely fastened.
- For .22 caliber and above, use the male threaded end to attach the jag or adapter.

3. Cleaning Process:

- Insert the cleaning rod into the barrel of the firearm gently.
- Move the cleaning rod back and forth to remove fouling from the barrel.
- Use a cleaning solution as needed, following the manufacturer's instructions for the cleaning product.
- After cleaning, remove the cleaning rod and inspect for any residue.

4. PostUse Care:

- Clean the cleaning rod with a suitable solvent to remove any debris or residue.
- Store the cleaning rod in a dry place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any cleaning materials and solvents according to local regulations.
- If the cleaning rod is damaged beyond repair, dispose of it responsibly as per local waste disposal guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of Dewey Cleaning Rods, please contact the manufacturer directly through the provided contact information on the product packaging or website.

Thank you for following these safety guidelines. Your attention to these instructions will help ensure a safe and effective cleaning experience.
