Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING FULL LENGTH SIZING DIE 416 WEATHERBY MAG

Introduction

Thank you for choosing the Redding Full Length Sizing Die for 416 Weatherby Mag. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read and follow these instructions carefully to enhance your safety and the performance of the die.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when handling reloading equipment.
- Keep the dies and all reloading components out of reach of children and unauthorized users.
- Ensure your workspace is clean, welllit, and organized to prevent accidents.
- Never use the die for purposes other than its intended use.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all manufacturer instructions and guidelines for use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Before using the die, read the manufacturer's instructions thoroughly.
- Use a headspace gauge when setting up the fulllength sizing die to ensure proper sizing and safety.
- Avoid overtightening the die in your reloading press, as this may cause damage to the die or press.
- Always ensure that the cartridge case is clean and free from obstructions before inserting it into the die.
- Do not attempt to modify the die or its components in any way.
- If you experience any difficulties during use, stop and consult the manufacturer or a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Securely mount the reloading press to a stable surface.
- Attach the fulllength sizing die to the press according to the manufacturer's instructions.
- Ensure the die is properly aligned and tightened to prevent movement during operation.

2. Usage:

- Insert a clean cartridge case into the die.
- Adjust the die according to the specifications provided in the manufacturer's instructions.
- Operate the press to resize the cartridge case, ensuring smooth and controlled movement.
- After resizing, inspect the cartridge case for any signs of damage or improper sizing.
- Clean the die after use to maintain its performance and longevity.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die or its components in regular household waste.
- Contact your local waste management authority for guidance on the proper disposal of reloading

equipment.

Contact Information for Further Support

For additional support or inquiries regarding the Redding Full Length Sizing Die, please refer to the manufacturer's contact information provided with your product or visit their official website.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Redding Full Length Sizing Die. Thank you for prioritizing safety in your reloading activities.
