Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING FULL LENGTH SIZING DIE 6MM/22250 REM

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING FULL LENGTH SIZING DIE 6MM/22250 REM. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Store the dies in a safe place, out of reach of children and vulnerable individuals.
- Inspect the dies for any visible damage before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling and operating the dies.
- Be aware of your surroundings and ensure that you are in a safe area when using the dies.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the die is compatible with the cartridge you are using (6 mm/22250 Remington).
- Use a headspace gauge when setting up the full length sizing die to ensure proper sizing and safety.
- Avoid wearing loose clothing or jewelry that may become caught during the operation.
- Do not exceed the manufacturer's recommended load specifications for your cartridges.
- Always follow safe reloading practices to prevent accidents or injuries.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Remove any existing dies from the press.
- Carefully screw the FULL LENGTH SIZING DIE into the press until it is snug. Do not overtighten.
- Attach the decapping assembly and expander ball as per the manufacturer's instructions.

2. Usage:

- Place the empty cartridge case into the shell holder of the press.
- Pull the handle of the press to raise the ram, which will push the cartridge case into the die.
- Ensure that the die sizes the full length of the cartridge case, including the neck and body.
- After sizing, lower the ram and remove the cartridge case.
- Inspect the resized case for proper dimensions and any signs of damage.

Disposal Instructions

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Ensure that all packaging materials are disposed of responsibly and in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the FULL LENGTH SIZING DIES REDDING FULL LENGTH SIZING DIE 6MM/22250 REM, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can help ensure a safe and effective reloading experience. Thank you for your attention to safety.
