

300 WINCHESTER MAGNUM PREMIUM BRASS - NOSLER 300 WINCHESTER MAGNUM BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 300 WINCHESTER MAGNUM PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp. FEATURES Fully prepped, ready to load. Case mounts chamfered and deburred Hand-inspected and weight-sorted Flash holes are deburred and checked for proper alignment Full length sized and trimmed to proper length

Safety Instruction Guide for Nosler 300 Winchester Magnum Brass Case

Introduction

Thank you for choosing Nosler 300 Winchester Magnum Brass Cases. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and understand all instructions before using the brass cases.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of all brass cases. Follow all safety recommendations to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is intended for adult handloaders. Keep out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the relevant EU-based contact point for assistance.
- **Rapid Alerts:** Be aware of any rapid alerts regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Always wear safety glasses and appropriate protective gear when handling brass cases and reloading ammunition.
- Ensure your workspace is clean and free from hazards that could lead to accidents.
- Never exceed recommended load specifications when using these brass cases.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Inspect each brass case for damage or defects before use. Do not use damaged brass cases.
- Follow all local laws and regulations regarding the use and storage of ammunition components.

Instructions for Installation and Usage

- **Preparation:**

- Weighsort the brass cases to ensure consistency in your handloading process.
- Deburr flash holes to prevent any obstruction during the loading process.
- Size the neck and chamfer the inside and outside of the case mouth for optimal performance.

- **Loading:**

- Use a reliable reloading manual to determine the correct load data for your specific application.
- Ensure that all components (powder, primers, bullets) are compatible with the brass cases.

- **Firing:**

- Only fire ammunition that is loaded to specifications outlined by reputable sources.
- Always follow safe shooting practices and local laws when firing your handloaded ammunition.

Disposal Instructions

- Dispose of any unused or damaged brass cases in accordance with local regulations.
- Do not dispose of brass cases in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the Nosler 300 Winchester Magnum Brass Cases, please refer to the appropriate EUbased contact point for assistance.
