# Safety Instruction Guide for DELUXE 3DIE SETS REDDING 3030 WINCHESTER 3 DIE SET

## Introduction

Thank you for choosing the Redding Deluxe 3DIE Set for 3030 Winchester. This guide provides important safety instructions and guidelines to ensure the safe use of this product. It is essential to follow these instructions to minimize risks and ensure a safe reloading experience.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the die set is used only for its intended purpose.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage before use. Do not use if damaged.
- Store the die set in a cool, dry place to prevent corrosion and damage.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Use only compatible cartridges with this die set to avoid accidents.
- Always wear appropriate safety gear, such as safety glasses, while reloading.
- Ensure that your workspace is welllit and organized.
- Avoid distractions while using the die set to maintain focus.
- Do not attempt to modify the die set or use it in any way not described in the instructions.
- Keep all tools and materials organized and out of the way when not in use.

## Instructions for Installation and Usage

### 1. Unpacking the Die Set

- Carefully remove the die set from the packaging.
- Check for all components: full length sizing die, standard seating die, neck sizing die, spare decapping pin, and hex wrench.

### 2. Setting Up the Dies

- Install the full length sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired depth for resizing cases.
- Secure the die in place to prevent movement during operation.

### 3. Reloading Process

- Begin with the full length sizing die to resize the brass cases.
- Follow with the neck sizing die if necessary, ensuring proper fit for your chamber.
- Use the standard seating die to seat the bullet into the prepared case.
- Regularly check the measurements of your ammunition to ensure compliance with SAAMI specifications.

### 4. Maintenance

- After use, clean the dies with a soft cloth to remove any residue.

- Store the dies in the provided die box to prevent damage.
- Regularly inspect the dies for wear and tear, and replace any damaged components.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local waste management regulations.
- Do not dispose of ammunition or reloading materials in regular household waste.
- Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use and safety of the Redding Deluxe 3DIE Set, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your DELUXE 3DIE SET REDDING 3030 WINCHESTER 3 DIE SET. Remember to prioritize safety at all times and report any unsafe conditions or incidents to the appropriate authorities.
