

DELUXE 3-DIE SETS - REDDING 8X57MM MAUSER 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 8X57MM MAUSER 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 8X57MM MAUSER 3 DIE SET. This product is designed to help you create highquality ammunition safely and effectively. Please read this safety instruction guide carefully to ensure proper usage and to minimize any potential risks.

General Safety Guidelines

- Ensure that all users are familiar with the safe handling and operation of reloading equipment.
- Always wear appropriate safety gear, including eye protection and gloves, when using this product.
- Keep the dies and other reloading components out of reach of children and unauthorized individuals.
- Regularly inspect the dies for signs of wear or damage before each use.
- Store the dies in a cool, dry place to prevent rust and degradation.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for reloading ammunition.
- Avoid using any die that appears damaged or malfunctioning.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not exceed the recommended load specifications for the 8 mm Mauser cartridge.
- Use only compatible components with this die set to avoid dangerous malfunctions.
- If you experience any unusual noise or resistance while using the dies, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the die set, shellholder, and reloading components.
- Ensure your workspace is welllit and free of distractions.

2. Installation of Dies:

- Secure the full length sizing die in your reloading press according to the manufacturer's guidelines.
- Follow with the neck sizing die and the standard seating die, ensuring each is tightened properly.

3. Using the Dies:

- Begin with the full length sizing die to resize your brass cases.
- Next, use the neck sizing die if you are reloading for a specific rifle.
- Finally, use the standard seating die to seat the bullet to the desired depth.

4. PostUse Care:

- Clean the dies after each use to remove any residue or debris.
- Store the dies in the provided die box along with the spare decapping pin and hex wrench.

Disposal Instructions

- Dispose of any damaged or unusable dies according to local regulations for hazardous materials.

- Recycle packaging materials where possible.
- Do not dispose of any components in regular household waste if they are considered hazardous.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the DELUXE 3DIE SETS REDDING 8X57MM MAUSER 3 DIE SET, please refer to the manufacturer's website or contact their customer support for assistance.

By adhering to these guidelines, you can ensure a safer and more effective reloading experience. Thank you for your attention to safety and for choosing Redding products.
