

# DELUXE 3-DIE SETS - 300 WSM 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# DELUXE 3DIE SETS 300 WSM 3 DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the DELUXE 3DIE SETS 300 WSM 3 DIE SET by Redding. This guide provides essential safety instructions and usage information to ensure that you use this product safely and effectively. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the relevant laws and regulations regarding ammunition reloading in your area.
- Always use the die set in a wellventilated area to prevent inhalation of any dust or fumes.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set regularly for any signs of damage or wear.
- Always follow the manufacturer's instructions for use and maintenance.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Never exceed the recommended load limits when reloading ammunition.
- Use proper techniques for handling and storing components to avoid accidental discharge.
- Be aware of the potential hazards associated with the materials being used, including primers and powders.
- Ensure that your workspace is clean and free of obstructions to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Carefully unpack the die set from its packaging.
- Install the fulllength sizing die into the press according to the manufacturer's instructions.
- Follow the same procedure for the standard seating die and neck sizing die.
- Make sure each die is tightened securely to prevent movement during use.

### 2. Usage:

- Always refer to the reloading manual for specific instructions regarding the caliber and components you are using.
- Adjust the dies according to the specifications provided in the manual.
- Perform a test run with dummy rounds to ensure proper functioning and adjustments.
- Monitor the reloading process closely and stop immediately if any issues arise.

## Disposal Instructions

- Dispose of any unused or excess materials according to local regulations.
- Do not throw away the die set in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of ammunition components.

## **Contact Information for Further Support**

For any questions or concerns regarding the DELUXE 3DIE SETS 300 WSM 3 DIE SET, please refer to the manufacturer's website or customer service resources for assistance.

Please ensure that you keep this safety instruction guide for future reference. Your safety is our priority, and we appreciate your commitment to responsible reloading practices.
