

# TYPE S BUSHING FULL DIES - 270 WSM BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

## Attributes

# Safety Instruction Guide for TYPE S BUSHING FULL DIES 270 WSM BUSHING FULL LENGTH DIE

## Introduction

Thank you for choosing the Redding Type S Bushing Full Length Die for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the die.

## General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Keep the work area clean and organized to prevent accidents.
- Store all reloading equipment and components out of reach of children and pets.
- Do not exceed recommended load specifications for any cartridge.
- Always verify the compatibility of the die with your specific cartridge before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the die is properly installed in your reloading press before use.
- Check the condition of the die and bushings before each use. Do not use if damaged.
- Adjust the decapping rod carefully to avoid injury during setup.
- Avoid overtightening the die when installing it in the press, as this may cause damage.
- Do not attempt to modify the die or its components.
- Use only Redding interchangeable bushings designed for this die to ensure proper function.
- Maintain a safe distance from the reloading press while it is in operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Remove any previous dies from the press.
- Insert the Redding Type S Bushing Full Length Die into the press.
- Tighten the die securely, but do not overtighten.
- Attach the adjustable decapping rod according to the manufacturer's instructions.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Set the bushing to the desired position for neck sizing.
- Insert the cartridge case into the die and operate the press to resize the case.
- Check the dimensions of the resized case to ensure conformity with specifications.
- After resizing, remove the case and inspect it for any signs of damage.

### 3. Adjustments:

- To adjust the bushing position, carefully loosen the decapping rod and reposition as needed.
- Retighten the decapping rod to secure the bushing in the desired position.

## **Disposal Instructions**

- Dispose of all reloading materials, including spent primers and used cases, in accordance with local regulations.
- Do not dispose of any product components in regular household waste. Check with local authorities for proper disposal methods.
- Recycle packaging materials whenever possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Redding Type S Bushing Full Length Die, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we wish you successful and enjoyable reloading experiences.
