

# 338 WINCHESTER MAGNUM BRASS CASE - NOSLER 338 WINCHESTER MAGNUM BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp.

# Safety Instruction Guide for Nosler 338 Winchester Magnum Brass Case

## Introduction

Thank you for choosing the Nosler 338 Winchester Magnum Brass Case. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of this product. Please read this guide carefully to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure that all users are aware of the risks associated with handling ammunition components.
- Always handle brass cases with clean hands to prevent contamination.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Keep brass cases out of reach of children and unauthorized users.
- Regularly check for any recalls or safety alerts regarding this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear safety glasses when reloading ammunition to protect your eyes from debris.
- Use appropriate gloves when handling brass to avoid skin irritation or contamination.
- Ensure that your workspace is wellventilated to avoid inhaling any dust or particles.
- Do not exceed the recommended load specifications for reloading to prevent accidents.
- Inspect all brass cases for any signs of damage or wear before use. Do not use damaged cases.

## Instructions for Installation and Usage

### 1. Preparation for Reloading:

- Sort brass by weight and ensure they are within the specified range (+ or 0.5 grains).
- Deburr the flash holes to ensure proper ignition.
- Perform neck sizing and chamfer the inside and outside of the case mouth.

### 2. Reloading Process:

- Use only compatible powders and primers as specified in reliable reloading manuals.
- Follow all reloading guidelines provided in reputable sources to ensure safety.
- Keep a detailed log of all reloaded ammunition, including load data and dates.

### 3. PostReloading:

- Inspect the finished rounds for any irregularities before storage or use.
- Store reloaded ammunition in a labeled container to avoid confusion.

## Disposal Instructions

- Dispose of any unused or damaged brass cases in accordance with local regulations.
- Do not discard brass cases in regular household waste; check for recycling options.
- If you have any unsafe or defective brass, report it to the appropriate authorities.

## **Contact Information for Further Support**

For any safety inquiries or concerns related to the Nosler 338 Winchester Magnum Brass Case, please refer to the EUbased contact point provided by the manufacturer or authorized distributor.

By following these guidelines, you can ensure a safe and enjoyable experience with your Nosler brass cases. Thank you for your attention to safety.
