# Safety Instruction Guide for DIGITAL INDICATOR

## Introduction

Thank you for choosing the DIGITAL INDICATOR from SINCLAIR INTERNATIONAL. This electronic digital indicator is designed for precision measurement and is compatible with various tools. To ensure safe and effective use, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Always use the DIGITAL INDICATOR according to the manufacturer's instructions.
- Ensure that the product is in good working condition before use.
- Keep the device out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- **Electrical Safety:**
  - Do not expose the DIGITAL INDICATOR to water or moisture.
  - Ensure that the power source is compatible with the device specifications.
- **Mechanical Safety:**
  - Handle the device with care to avoid physical damage.
  - Avoid using excessive force when operating the indicator.
- **Calibration Safety:**
  - Regularly calibrate the device for accurate readings.
  - Follow the calibration instructions provided in the user manual.
- **Storage Safety:**
  - Store the DIGITAL INDICATOR in a dry and secure location.
  - Use the protective case if available to prevent damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the workspace is clean and welllit.
- Place the DIGITAL INDICATOR on a stable surface.
- Connect any necessary attachments as per the user manual.

### 2. Usage:

- Turn on the DIGITAL INDICATOR using the power button.
- Select the desired measurement mode (absolute or incremental).
- Use the onetouch zero function to reset the reading as needed.
- Read the measurement displayed clearly on the screen.
- After use, turn off the device to conserve battery life.

## Disposal Instructions

- Dispose of the DIGITAL INDICATOR in accordance with local regulations.
- Do not dispose of the device in regular household waste.
- Consider returning the product to a designated recycling facility for electronic devices.

## **Contact Information for Further Support**

For any inquiries or support regarding the DIGITAL INDICATOR, please refer to the manufacturer's contact details provided in the product packaging or user manual.

By following these safety instructions, you can ensure a safe and effective experience with your DIGITAL INDICATOR. Thank you for your attention to these important safety guidelines.
