

CARBIDE 3-DIE HANDGUN SETS - REDDING CARBIDE 3-DIE SET 45 COLT/454 CASULL

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Titanium carbide differs considerably from other carbides, and is the ideal material for resizing cartridge cases. Titanium carbide has the highest hardness of any readily available carbide. The difference is in the microstructure. Viewed under a microscope it appears smooth and rounded, which presents a slippery non-galling surface, ideal for lubeless resizing of cartridges. The Carbide 3-Die set includes the Titanium Carbide sizing die, expander die and bullet seating die with built-in crimp.

CARBIDE 3DIE HANDGUN SETS REDDING CARBIDE 3DIE SET 45 COLT/454 CASULL Safety Instructions

Introduction

Thank you for choosing the CARBIDE 3DIE HANDGUN SETS REDDING CARBIDE 3DIE SET 45 COLT/454 CASULL. This product is designed for resizing cartridge cases and is made from highquality Titanium carbide, which provides a durable and efficient performance. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and free from obstructions when using the die set.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the die set.
- Avoid contact with moving parts during operation to prevent injury.
- Ensure that the die set is securely mounted before use to avoid accidental dislodgement.
- Do not exceed the recommended pressure limits when resizing cartridges.
- Be cautious of hot surfaces; the die set may become hot during use.
- Store the die set in a safe place when not in use to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted to a stable surface.
- Insert the Titanium Carbide sizing die into the reloading press according to the manufacturer's instructions.
- Follow the same steps to install the expander die and bullet seating die with builtin crimp.
- Check that all dies are properly aligned and tightened before use.

2. Usage:

- Prepare the cartridge cases by cleaning and inspecting them for any defects.
- Begin with the sizing die: insert the cartridge case and operate the press to resize the case.
- Use the expander die to expand the mouth of the case for bullet seating.
- Finally, use the bullet seating die to seat the bullet and crimp it into place.
- Follow all instructions carefully to ensure proper operation and safety.

Disposal Instructions

- Dispose of any damaged or wornout components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Check with local waste management authorities for proper disposal methods for metal components.

Contact Information for Further Support

For any questions or concerns regarding the CARBIDE 3DIE HANDGUN SETS REDDING CARBIDE 3DIE SET 45 COLT/454 CASULL, please consult the manufacturer's website or customer service for support.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we wish you a safe and enjoyable experience with your new die set.
