

CARBIDE 3-DIE HANDGUN SETS - REDDING CARBIDE 3-DIE SET 44 SPECIAL/MAGNUM

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Titanium carbide differs considerably from other carbides, and is the ideal material for resizing cartridge cases. Titanium carbide has the highest hardness of any readily available carbide. The difference is in the microstructure. Viewed under a microscope it appears smooth and rounded, which presents a slippery non-galling surface, ideal for lubeless resizing of cartridges. The Carbide 3-Die set includes the Titanium Carbide sizing die, expander die and bullet seating die with built-in crimp.

Attributes

- Name: [REDDING CARBIDE 3-DIE SET 44 SPECIAL/MAGNUM](#)
- Manufacturer: [REDDING](#)

CARBIDE 3DIE HANDGUN SETS REDDING CARBIDE 3DIE SET 44 SPECIAL/MAGNUM Safety Instructions

Introduction

Thank you for choosing the Redding Carbide 3Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe use of the product. It is designed to help you understand how to use the die set correctly and responsibly, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading ammunition.
- Keep the work area clean and free of obstructions to prevent accidents.
- Store the die set in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before use.
- Do not attempt to modify the die set in any way, as this may compromise its safety and effectiveness.

Specific Safety Precautions for Use

• Hazard Identification:

- The die set is designed for resizing cartridge cases. Improper use may lead to injury or damage.
- Use only with compatible cartridges (44 Special and 44 Magnum).

• Avoiding Hazards:

- Always ensure that the reloading press is securely mounted and stable before use.
- Do not overload the die set or exceed recommended loads.
- Follow the manufacturer's instructions for the reloading process closely.

• Age Specific Warnings:

- This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Securely mount the reloading press according to the manufacturer's instructions.
- Insert the Titanium Carbide sizing die into the press and tighten it securely.
- Install the expander die and bullet seating die in the same manner.

2. Usage:

- Begin by resizing the cartridge cases using the sizing die. Ensure that the cases are clean and free of debris.
- Use the expander die to prepare the cases for bullet seating.
- Finally, use the bullet seating die to seat the bullets to the desired depth, ensuring a proper crimp.
- Always check the completed cartridges for consistency and safety before use.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Redding Carbide 3Die Set, please reach out to the appropriate support channels. Ensure you have the product information handy for quicker assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Carbide 3Die Set. Always prioritize safety and stay informed about best practices in ammunition reloading.
