Safety Instruction Guide for Redding 280 Ackley Improved Full Length Die Set

Introduction

Thank you for choosing the Redding 280 Ackley Improved Full Length Die Set. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read and understand all instructions before use.

General Safety Guidelines

- Ensure safe use of the die set by following these guidelines:
 - Always handle the die set with care.
 - Keep the die set out of reach of children and vulnerable groups.
 - Use the die set only for its intended purpose.
 - Regularly inspect the die set for any signs of wear or damage.
- In case of any issues, refer to the contact information provided for support.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Before using the die set, ensure you are familiar with the following safety precautions:
 - Always wear appropriate safety gear, such as safety glasses, when operating the die set.
 - Use the die set in a welllit and clean workspace to avoid accidents.
 - Follow the manufacturer's instructions for proper setup and operation.
 - Avoid using excessive force when operating the die set, as this can cause damage or injury.
 - Ensure that the die set is securely mounted before use to prevent movement during operation.
- Be aware of potential hazards:
 - Sharp edges: Handle with care to avoid cuts.
 - Heavy components: Use proper lifting techniques to prevent injury.

Instructions for Installation and Usage

1. Installation:

- Unpack the die set and inspect all components for damage.
- Securely mount the sizing die in your reloading press according to the manufacturer's instructions.
- Adjust the die as needed to ensure proper alignment with the press.

2. Usage:

- Follow these steps to use the die set safely:
 - Prepare your workspace by ensuring it is clean and organized.
 - Load a cartridge case into the press and engage the sizing die.
 - Apply steady pressure on the handle to resize the case, avoiding sudden jerks or force.
 - After resizing, remove the case and inspect it for proper dimensions.
 - If using the seating die, follow similar steps to properly seat the bullet.
 - Always refer to the specific instructions provided with your die set for detailed operating procedures.

Disposal Instructions

- When disposing of the die set or any related materials:
 - Check local regulations for proper disposal methods.
 - Do not dispose of the die set in household waste.
 - Consider recycling options where applicable.

Contact Information for Further Support

- For any questions or concerns regarding the Redding 280 Ackley Improved Full Length Die Set, please refer to the provided contact information for support.

Thank you for your attention to these safety instructions. Proper use and care of your die set will ensure safe and effective reloading practices.
