Redding Neck Sizing Die Set Safety Instructions

Introduction

Thank you for choosing the Redding Neck Sizing Die Set for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this manual carefully before use.

General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Ensure that the die set is used only for its intended purpose as specified by the manufacturer.
- Store the die set in a dry, cool place away from direct sunlight and moisture.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and storage of reloading equipment.

Specific Safety Precautions for Use

- Handle all components with care to avoid injury.
- Ensure that the decapping rod assembly is securely attached before use.
- Avoid overtightening components, as this may cause damage to the die set.
- Use only the recommended cartridges (375 Remington Ultra Magnum) with this die set.
- Do not attempt to modify or alter the die set in any way.
- Keep all components out of reach of children and pets.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the Redding Neck Sizing Die Set, reloading press, and cartridges.
- Ensure that your reloading area is wellventilated.

2. Installation:

- Securely mount the reloading press to a stable work surface.
- Insert the Neck Sizing Die into the press and tighten it according to the manufacturer's instructions.
- Attach the decapping rod assembly with the neck expander button to the Neck Sizing Die.

3. Using the Neck Sizing Die:

- Place a cartridge into the press and lower the handle to size the neck of the cartridge.
- Check the cartridge for proper sizing before proceeding to the next step.
- Use the Seating Die for bullet seating, ensuring the bullet guide and crimp ring are properly aligned.

4. PostUse:

- Clean the die set after use to remove any debris or residue.
- Store the die set in its original packaging or a suitable container.

Disposal Instructions

- Dispose of any damaged or worn components according to local regulations.
- Do not dispose of the die set in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or usage of the Redding Neck Sizing Die Set, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety while using the Redding Neck Sizing Die Set. Your adherence to these guidelines will help ensure a safe and enjoyable reloading experience.
