

# STAINLESS NECK SIZING DIES - 6MM PPC OVERSIZED BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\***  
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for STAINLESS NECK SIZING DIES 6MM PPC OVERSIZED BUSHING NECK DIE

## Introduction

Thank you for choosing the STAINLESS NECK SIZING DIES 6MM PPC OVERSIZED BUSHING NECK DIE. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions to minimize risks.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the die.
- Keep the work area clean and organized to avoid accidents.
- Store the die in a safe place out of reach of children and vulnerable individuals.
- Regularly inspect the die and accessories for wear or damage before each use.
- If you notice any defects or abnormalities, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- Use the die only with compatible cartridge cases as specified (6 PPC).
- Ensure the Arbor Press is set up correctly and securely before use.
- Do not exceed the recommended sizing specifications to avoid damaging the die or cartridge cases.
- Avoid placing fingers or hands near moving parts during operation.
- Do not attempt to modify or repair the die without proper expertise.
- Be cautious of metal shavings and debris that may result from the sizing process.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the die, Arbor Press, and cartridge cases.
- Ensure you have the correct sizing bushing for your application (not included).

### 2. Installation:

- Secure the Arbor Press on a stable work surface.
- Insert the neck die into the Arbor Press according to the manufacturer's guidelines.
- Make sure the die is firmly in place and aligned properly.

### 3. Usage:

- Place the cartridge case into the die, ensuring it is positioned correctly.
- Apply steady pressure using the Arbor Press to size the neck of the cartridge case.
- Monitor the process closely to ensure safety and effectiveness.
- Once completed, carefully remove the cartridge case from the die.

### 4. PostUsage:

- Clean the die and work area to remove any debris.

- Store the die in a safe location, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or wornout components in accordance with local regulations.
- Recycle metal components where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries related to safety or product information, please contact the relevant support channels provided by the manufacturer.

Thank you for your attention to these safety instructions. Your safety is our priority.
